## Biological Park, Development in full swing

### RH Team

Udaipur's Gulab Bagh zoo is sixth oldest zoo of the country. Established by his highness Ma-

Gulabbagh was handed over to Horticulture Department and zoo was to Forest Department for further management.

harana Sajjan Singh Ji of Mewar state in Gulabbagh (Sajjan Niwas) campus in 1878, the location of the zoo is naturally beautiful. The Gulab Bagh premises houses a huge library, landscape garden with healthy air exhaling trees, a toy train, and zoo of animals. Earlier, management of this zoo was done by 'Shikarkhana' Deptt of Mewar state. After independence,

Development of Satellite facility near Sajjangarh CZA, New Delhi is a central agency to regularize and control of all Zoo's of the country. Recognition and operation of all Zoos are governed by directions given by this authority. Udaipur Zoo, situated in Gulabbagh campus, was unable in achieving the CZA norms hence there stood a prob-

lem in recognition of the Zoo. To get recognition from CZA, Old Zoo's had to modified according to CZA norm. Since there was limited space available in Gulabbagh campus so it was started to develop as a satellite facility of Udaipur Zoo in 2004-05 in form of Biological Park Sajjangarh in available 36 ha forest land which is outside of sanctuary limit at the

posed to made in this park. Master layout plan of this Biological Park is granted by CZA, New Delhi on 28th August 2009. It will be fully developed by the end of 2014-15. As many as enclosures have been constructed, 3 are under progress and CZA's approval is awaiting for 3 enclosures. In this new park, 3 Gharials are brought from Jaipur, 1 female

1 pair of Asiatic Lion from Junnagadh and 2 Ostriches from Chennai. The Jungle cat is proposed to bring from Ranchi Zoo to this park. So far animals are released in 20 out of 21 enclosures made. As many as 56 animals have been released in the park up to date and at present this park has reached in functional position.

foothills of Sajjangarh Sanctuary. Details of Enclosures: Intoto 28 enclosures are pro-

Tiger from Pune, 1 male Tiger and 2 Hybrid Lion from Bannerghatta (Bangalore), 1 pair of Panther and

## Sakhi--Empowering women!

### RH Team

Woman empowerment program called Sakhi has been a big hit. The fact that more than 35 students and 3 faculty members all the way from BPS Womens college of Sonapat Haryana have traveled more than 800 kilometers to visit the program at least proves this. These students are from management and commerce stream and have come to visit the women empowerment program called Sakhi being run by Hindustan Zinc limited. These students are from Rajasthan, Uttar Pradesh, Delhi, and Madhya Pradesh. BPS college of Sonapat is the first women college of

north India. Sakhi is a women welfare program being run by Hindustan Zinc Limited Udaipur has more than 6000 women associated with this program. These women hail from rural and tribal belt of the city. These visiting students researched about these women and decided to meet them personally. Head of the corporate communication, Pawan Kaushik told that HZL had received a request from BPS College to see these women being catered under the Sakhi program. "We happily accepted that and let these students study and research programs being run in the area of Matoon," said

Kaushik. These women are showcasing excellent talent by crafting paper baskets and other decorative pieces. Made of low cost, such stuff is being liked by people. And these women are finding a way to ameliorate their lives better. "We are actually surprised to see the vigor and talent of these women. HZL is empowering these women in all ways and with the professional training, these members of Sakhi are being converted into expert professionals. This is appreciable job and will help them link with the mainstream of society," said Ishani Chopra, the principal of BPS College. By far, the company has
