

# REIL gets BT Star PSU : CSR Excellence Award 2015

New Delhi The Rajasthan Electronics & Instruments Limited (REIL), Jaipur received the "BT Star PSU Award 2015" for Excellence in Corporate Social Responsibility in a function held at Hotel Le Meridian, New Delhi. The award was presented by to Shri A. K. Jain, Managing Director in the presence of Union Minister of State for Ministry of Human Resource Development Prof. Dr. R.S. Katheria, Governor of Andaman & Nicobar, Lt. Gen. A.K. Singh, Shri Indresh Kumar and Gazhal Samrat Ustaad Gulam Ali Khan Saheb. The prestigious award has been instituted by Bureaucracy Today to recognize the contribution of Public Sector Enterprises in the economic growth of the country.

On this occasion the Managing Director, Shri Jain

iterated that Corporate Social Responsibility is an integral part of Rajasthan Electronics & Instruments Limited (REIL) activities and an important part of Company's objectives. Company executes Corporate Social Responsibility (CSR) activities in the vicinity areas. The Company is committed about its social responsibilities and shall continue to do so from time to time so that awareness about the impor-

ance of solar energy and its usefulness can be spread in the nearby areas. Shri Jain also spoke about the responsibility towards society and people, fulfillment of Company's vision with the human resources from the society, other materials and services, fulfilling the social responsibility, for the upliftment of the society which gives a satisfaction that can't be expressed.

The Company organized 05 numbers of Medical Health Camps under Corporate Social Responsibility (CSR) where specially challenged students and students of BPL category were medically examined along with the distribution of essential medicines and health kit. In these camps 621 students got benefited. Solar Power Systems of 1.12 KWp capacities were installed in 10 Kasturba Gandhi Schools and hostels in the far flung areas of Rajasthan. These will ensure running of fans, computers etc. and enough light during the night in the toilets so that girls living in these schools and hostels get benefited. Apart from this Solar Power Systems of 1.12 KWp capacities were installed in the public utility institutions (04) like Police Thana, Primary Health Centre, and

Government Post Offices so that employees working there get benefited along with general public and simultaneously become aware about the solar energy.

Shri A.K. Jain, Managing Director, REIL, thanked the organizers and the Jury, for selecting REIL for this award. He also acknowledged the support and guidance from The Ministry of Heavy Industries and Public Enterprises, Department of Heavy Industry, Government of India and Government of Rajasthan. Shri Jain congratulated the employees of REIL for this award and assured that the Company would continue to deliver Electronics, Renewable Energy and Information Technology based solutions and services for social & economical development of rural brethren.

## Education, skill development to create jobs in state, says CM

**Jodhpur :** Chief minister Vasundhara Raje on Saturday said that employment-oriented education and skill development will create jobs and help in development of the state.

Addressing a public function after inaugurating the hostel building of Kheteshwar Smriti Educational Institution on Saturday at Badli village in Jodhpur district, Raje said that along with education the government will promote computer education, science and arts in schools in all the 9,000 panchayats in the state.

The chief minister said that education alone can ensure development of the state and the government has prioritised this agenda by not only working towards schooling but also skill development.

Raje said that Rajasthan is a family and every section of the society are complementary to each other.

She said the benefit of skill oriented development should

schemes for the education of girls.

Raje said 60,000 cases have come in the first four days of the revenue courts that have been

reach the maximum number of people including the unemployed and women.

She stressed on the importance of girl education saying it ensures the education of two families. She said the government has come up with several

started in the state. She said 32,000 cases of mutation have been resolved and thousands of other land related cases have been resolved.

"In the next three years, we plan to resolve four lakh land related pending cases," said the chief minister.

## Veteran Congress leader Damodar Thanvi dies

**Jaipur :** Veteran Congress leader and former chairman of the state commission for disabled persons ( Nishakt Jan ayog) Damodar T hanvi died on Saturday after falling down on a railway platform from a moving train at Jaipur junction here. Thanvi, 78, was taken to a hospital where he died during medical check-up, railway police said. "Thanvi came here from Phalodi (Jodhpur) in a train this morning. He was sleeping when the train arrived here at 5 am and he woke up when the train was about to leave the station," Hajari Lal, ASI-GRP said. He hurriedly tried to get off the train, which had started moving by then, but fell on the platform and sustained some internal injury. He, initially, went to home with his grandson but when he felt after felling uneasy, he went to SMS hospital for check up where he died, he said. The body was handed over to his family members after postmortem, the ASI said, adding, exact cause of the death would be clear in the autopsy report. PCC President Sachin Pilot condoled the death of Thanvi, a PCC member who served the party on different positions.

## Kuldeep's hard work paid off, says father

**Udaipur :** The family of Kuldeep Singh Naruka was in a celebratory mood after coming to know that he was declared a joint topper in the Class 12 science results announced by the state Board of Secondary Education on Friday. Kuldeep scored 98% in the examinations. "We never had to tell Kuldeep to study, as he always followed his schedule of giving 4 hours to his studies in a day. We never expected he would top," said Mahaveer Singh, Kuldeep's father, as the topper was in Jaipur to appear for an entrance exam for BITS Pilani. Kuldeep, his only son, completed schooling from Shishu Bharti School of the city. "Kuldeep has always been an above average student and topped his class from class Nursery to 12," said the proud father, who works as a manager in a private firm. He said when he called his son to tell him the result, Kuldeep was surprised and thrilled. "He had not expected to top. But his hard work paid off," said Singh.

## Medical student commit suicide by jumping in front of train

**Udaipur :** A 20 year old medical student, studying in a private medical college, allegedly committed suicide by jumping before a running train at Debari tunnel here on Thursday night. Police found his mutilated body parts on Friday morning after getting a call from one of the passer-by. The circumstances of death is not immediately known, but investigators believe the boy's death to be an intentional act as a suicide note was found in his pocket which indicated love failure to be the reason of depression which led him to take such a step. " Dilip Patidar, was a first year student here who hailed from Dungepur. His father runs a tea stall in Mumbai " informed Chandra Purohit, circle inspector of Pratapnagar police station. The incident took place on Thursday late night as the victim jumped before the Udaipur-Ratlam express. The body was dragged to some 200 meters and torn to pieces.

## Reptiles and nocturnal animals to be brought to Biological Park

**Udaipur :** Reptiles and nocturnal wildlife will be brought to Sajjargarh Biological Park in the future. For this, the revised proposal will be sent to the Central Zoo Authority. An initiative has been taken by the forest department regarding this proposal included in the master plan of the park, but the authority has asked to make a new proposal pointing out some drawbacks and other modifications. Now the department is working on this. And after working on the drawbacks, proposal will be sent for further approval. DFO, Wildlife, TMohanraj said that to improve the diversity of wildlife in the Biological Park continues to strive.

The meeting had Collector Rohit Gupta, Mayor Chandrasingh Kothari, Chief

Conservator Rahul Bhatnagar, and Secretary of UIT along with many other officers from different departments. DFO Mohanraj said that to increase the diversity of wildlife in the state, Rajasthan Forest Diversity Project has received financial assistance of five million in collaboration with Japan. Under yhe project, a proposal is to be sent to Central Zoo Authority.

Wildlife included in the proposal. Currently, Sajjargarh Park has only crocodiles in the 'reptiles section'. Under the new proposal, a list of different species of snakes and other reptiles will be sent. A large number of nocturnal beings is also asked for. With the arrival of pork pens, covered brock, with rental, bates and different species of owls, a new face of park will be seen.

## Mob barge into legislators office in Nimbahera, destroy property

**Udaipur :** A large group of people mostly from the Mali community barged into legislator Srichand Kriplani's office at Nimbahera in Chittorgarh district on Friday noon and harmed the property. The people were reportedly angry as one of their community men had died of electrocution in the morning and the legislator didn't turn up in the hospital when he was called. After a written complaint from the party workers, police has arrested 7 men under various sections of the IPC.

According to police, a 26 year old man Nanalal Mali who worked in some factory in Nimbahera, was admitted in the general hospital after he suffered burn injuries of electrocution. He died in the morning lacking medical care as most of the doctors and staff were not present on duty time. This irked his family members and relatives who immediately called up MLA Kriplani to complain about the medical negligence in the government hospital. The family members cried that even the legislator turned

a deaf ear instead of being sympathetic which instigated the community men. Afterwards, some 20 to 25 men barged into the leader's office in the afternoon, threw stones and dismantled the office property and papers. Kriplani was not in the office, only few workers were present who immediately called the police. " It was a mixed bag of people not from specific community that trespassed and damaged property. No one was hurt, we have arrested 7 people while others too will be caught soon" said Boraj Singh, Circle Inspector of Nimbahera Kotwali police station. However, the legislator refuted charges of negligence and claimed otherwise. " It was me who called up the hospital authorities to ensure the victim's family is extended all facilities. I even arranged for the postmortem. People who laid attack on my office are not from any specific community but anti social elements who were pitched by someone to settle political rivalry" legislator Kriplani said

## Tagore Anniversary celebrated with recital of his songs and discussion on his legacy

**Udaipur :** The birth anniversary of Rabindranath Tagore was celebrated by the Faculty of Social Sciences and Humanities, Janardan Rai Nagar Rajasthan Vidyapeeth University at M.V. Shramjeevi College, Udaipur on 12th May, 2015. The programme focused on the literature and music of Rabindra Nath Tagore. Mr. Ramkrishna Bose, an expert on Tagore's literature and Music trained at Vishwa Bharati, Shanti Niketan, Kolkata presented Tagore's songs both in Bangla and their rendering in Hindi. The recital began with the famous song " Aanand Lok , Mangal Lok " followed by a series of Pooja songs, Nature songs, ceremonial songs and patriotic songs. Mr. Bose sang a song " Pagali Hawa, Paglaya Din, Paagal Mera Mun Nache " ( The mad wind blows, making my days mad and in such a frenzy my heart dances).

His rendering of the famous composition "Ekla Chalo" impressed everyone. He was accompanied by Mr. Jeevan Bhattacharya on Harmonium, by Vijay Dhandhara on Sarangi and by Suraj and Ashok on Tabla. Before his recital the artists of Kumbha Kala Kendra sang the Sanstha Geet "Jyotirmaya yeh Desh Hamara" composed by Late Manishi Janardan Rai Nagar.

Convener of the programme Prof. Hemendra Chandalia told that the President of Rajasthan Association for Studies in English Prof. S.N. Joshi delivered the key note address on the fiction of Tagore. He elucidated how the life experiences of Tagore were woven

in his short stories. He referred to the stories "Kankaal", Kshudhit Paashaan" and "Shahzaadi" to illustrate his point. Chief Guest of the function Prof. S. S. Sarangdevot, Vice Chancellor of the University spoke on the literary and artistic contribution of Tagore. He quoted some of the songs of Tagore to illustrate his views. The Guest of Honour Prof. C.P. Agrawal, Registrar of the University said that the present generation lacks awareness about the contribution of Tagore to the world of literature, art and culture. Such programmes can help them remove their lack of knowledge. The programme was chaired by the Dean of the Faculty of Social

Sciences and Humanities Prof. P.K. Punjabi.

The controller of Examinations Prof. Suman Pamecha said that the works of Tagore instill a positive attitude among the readers. In the beginning the Head of the department of Hindi Prof. Malaya Paneri gave the welcome address and Prof. Mukta Sharma, Head, Department of English introduced Tagore and his works to the audience. Prof. Hemendra Chadalia talked about the legacy of Tagore and described him as an internationalist, rather than a patriot driven by narrow nationalism. He said that Tagore was endowed with a vision of Universal Humanism which is his legacy that needs to be carried forward. Dr. Mehzebeen Sadiwala, Assistant Professor in the Department of English completed the programme while Dr. Dhiraj Prakash Joshi offered a vote of thanks.

## Plans to Develop Mechanized Parking in Udaipur

**Udaipur:** To overcome the problems of parking in city's major intersection and inner city, the corporation is planning to develop mechanized parking on its lands. Corporate management surveyed seven locations of the city. A company from Kolkata has

been approached for this issue. A team of experts will come to Udaipur and will give the status after a final survey of locations identified by the corporation. Mayor Chandrasingh Kothari and construction committee president, Paras Singhvi have instructed to complete the

survey on a corporation level, so that the team from Kolkata could get information related to traffic pressure on every location.

Construction committee chairperson Paras Singhvi said that the corporation's intention is that the identified locations would have an arrangement to house up to 25 cars.

Mayor Chandrasingh Kothari says that parking is a big issue in the city. Corporate management took steps to relieve the lands of the corporation and has attempted to develop mechanized parking. Parking is not a problem related to the budget. At the meeting with the board of the corporation, that amount will be raised. After

the meeting, tanga stand situated in Surajpol, the parking lot located in bank tri-junction, tanga stand situated in Hathipol, parking lot in Luvkush Stadium, parking lot in Mukherjee Chowk and park in Sukhadia Circle can be transformed into mechanized parking by the committee chairman.

Mayor Chandrasingh

Kothari has suggested to make a registered entity to monitor city's main garden's land. Kothari said the institution should include ex officio mayor, collector and PWD department and the lands of Gulab Bagh, Sukhadia Samadhi, Mohta Park and Nehru must be monitored by them so that lands aren't misused.
