

# IIM Udaipur : Two Mega Events

## Tribal Livelihood Workshop

Indian Institute of Management, Udaipur organized a workshop on 'Tribal Livelihood' on June 17th 2015 as a member of Manthan Consortium. Rajasthan Grameen Aajeevika Vikas Parishad (RGAVP) provided a collaborative support for making the workshop a success.

The workshop objective create a learning platform where experience and knowledge sharing can take place with RGAVP, MANTHAN partners and NGOs working on livelihood issues in Udaipur was rightfully achieved.

The event flagged off with a welcome note from Prof. Janat Shah – Director, IIMU who presented his views for the part that educational institutes could play in the developing an eco-system of livelihood for the marginalized. He also said that IIMU holds a great responsibility to contribute towards the research, development and strategizing the initiatives for the income generation for the tribal. He considered the workshop to be an excellent platform for academicians, practitioners, govt. officials to work together in the direction.

The event was attended by the faculties from other management institutes of the country including MDI, XIMB, XLRI, TISS, and BRLF (Bihar Rural Livelihood Foundation). The

institutes are also members of the Manthan consortium.

Prof. Shambu Prasad from Institute of Rural Management Anand (IRMA), Gujarat initiated and moderated the discussion by first briefing the audience about the Manthan (Management Academic institutes Network for Transforming Human Resources through Action and Knowledge), a three year old consortium and its objectives of strengthening the livelihoods ecosystem in India.

The consortium has researched and developed knowledge platform, e-groups, learning support, strategy advisory support through its member institutes.

Workshop was further led

by the Mr. Hardeep Chopra, RGAVP representative, who work for the livelihood initiatives in various districts of Rajasthan. The initiatives have helped more than 55 lakh tribal men and women in the state. The great cause has been promoted at large scale by creating Self-help groups and Village Organizations (VOs) for women. The initiative aims to ensure income of above 1 lakh for the families that are part of SHG or VOs. Giving testimony to the fact, women from tribal areas joined the workshop to share their experience and benefit from the RGAVP initiatives. RGAVP believes that the success stories will grow exponentially in future with

more people joining hands using the platform of such workshops.

The event acted as perfect platform for majority participants. Priyanka Singh, CEO of SevaMandir also contributed to the discussion with her views on the income source majorly depending on the natural resources and labor. She urged various stakeholders and participants to formulate policies that are beneficial for the poor in for a long term.

The workshop was further progressed by presentations on the livelihood models from participants. The speakers shared their learnings and

experiences from the initiatives pursued and research done.

The speakers included Kalpana Pant from Chaitanya Foundation, Zulfikar Haider, CEO form BRLF, Rama Kandrupa from ILRT and Dileep Gupta from IGS, Abha Mishra from Aajeevika Bureau and Avanih Kumar from MDI.

During the conclusion of the workshop, everyone appreciated the concept and the content of the workshop. They also requested to have frequent such sessions to keep the motivation high among the participants. IIMU takes pride in hosting such event which strives to make a greater impact to the society.

## Spandan 2015 - 3rd HR Conclave

Indian Institute of Management, Udaipur successfully hosted the third edition of its annual HR Conclave – Spandan 2015 on 20th June, 2015.

Carrying forward the legacy from the last year's HR Conclave, this year's conclave was conceptualized around the central umbrella theme, "Connect" focused on deliberating the ever evolving roles and responsibilities of the HR function. The event began with an opening address by Prof. Janat Shah – Director, IIM Udaipur. Prof. Shah talked about the conclave's agenda of being a platform for global HR leaders to share their expertise and experiences in the ever-changing fields. Prof. Shah also laid stress on the IIMU's strong focus on Research, Analytics, and Immersion in the three forms of Rural, Corporate & Global Entrepreneurship & Intrapreneurship in his speech. Mr. Santosh Bhawe - Senior VP – HR/IR Bharat Forge, a global metal forging company gave the inaugural speech for the panel discussions. In his address, Mr. Bhawe shared his knowledge on the Human resource innovation in India. He also educated the students on the importance of HR innovation in development of the firm.

The event then proceeded with panel discussions on

the two sub-themes for the summit:

- Connecting creativity with profession: Role of HR in fostering innovation in organizations
- Connecting to Mainstream: Role of HR as a strategic partner in businesses

The event saw stalwarts from the top firms of India expressing their knowledge and views regarding transformation in the industry due to innovation and HR strategy. The participating corporate leaders in the discussions were Mr. Santosh Bhawe - Senior VP – HR/IR Bharat Forge, Mr. Harjeet Khanduja - Vice President Human Resources Reliance Jio, Ms. Kavita Kurup - Head Learning & Organizational Development, Axis Bank, Mr. Ashutosh Tipnis - Head - HR (West and South) Hindustan Times, Ms. Meenaa Sharma - Chief Human Resource Officer Reliance Money.

The key things highlighted in the discussions were HR facilitation program- connecting HR skills with innovation, importance of having a human-mind over a technological mind, Role of HR in bringing the right

people, creating customer experience through driving innovation, fundamental beliefs and values of an organization, importance of database people management, significance of analytics in HR Practice area, Innovation at the grass root level, creating and delivering value, aligning the HR strategies with the business strategies to succeed in the long run, employee engagement, best industry practices, learning and organizational department, differences between people dependent and process dependent organizations.

The event is a completely student driven initiative of IIM Udaipur which aims to bridge the gap between the corporate and academics and to give a common platform where exchange of knowledge and insights is facilitated. The panel discussion as well as the quality interaction with the industry leaders was an enriching experience for the students of IIM Udaipur. The event was very well received by the IIMU community. The event concluded with the felicitation of the eminent speakers of the event and a vote of thanks.

# Boy arrested for killing his girl friend

Sohail Khan/Udaipur

Pratap Nagar police by cracking a murder mystery of a teen aged girl has arrested her own boy friend on Tuesday for killing her over having problems in relation.

Accused boy was identified as Kalpesh Meena (22) of Dungarpur, Meena was having an affair with the victim girl Twinkle (19) since last 1 year and also having plans of getting married with her, but Meena was having a doubt on the girl that she was in contact with other boys too, when he confirmed his doubt he decided to kill Twinkle and for that he has made plan, on 14th June he took the victim to a lonely shed of Maharana Pratap Railway Station of the city and strangled her to death, to confirm her death accused stabbed her neck for 5 times, leaving the dead body of the victim on the spot he fled away back to Dungarpur on his bike and hide him self at his aunt's house.

Next morning he took a bus from his village and came to Udaipur at his sister's rented house situated at Sector.5 of Hiran Magri area where the investigating team of Pratap

Nagar police had arrested him, said Adsp City Dr. Rajesh Bhardwaj. Adsp informed that on 15th June at around 4 pm police got the information about the victim's dead body lying at the shed of Railway Station, immediately a team of Police station including Station House Officer Chandra Purohit and his men Jagdish Prasad, Vikram Singh, Umair Singh, Nahar Singh, Khuman and Pramod rushed to the scene, the dead body was shifted to the mortuary where the bag found near it was taken in custody, police has found some books, cosmetic items and a mobile bill on which the name of the accused was written, but one thing which made the situation complex was that no mobile phone was found from the crime scene, neither it was a case of loot as the gold chain of the victim was found as it is in her neck nor she was sexually assaulted, police has started the investigation of the matter considering it a case of problems in relations or she was killed by some body known to her.

The victim was identified as Twinkle with the help of her books and later her grand

father was informed about the mishap. Victim's grand father Ganga ram staying at Kanpur village of the District informed the police that Twinkle was staying with him at his house and was 1st year student of nursing at Synergy Institute of Nursing, she went to her house at Dungarpur 7 days back after the examination, Station House Officer Chandra Purohit informed. When the parents of the deceased girl were contacted they informed the police that their daughter has left the house for Udaipur on 14th June in afternoon at 12 o'clock since then they were not in contact with her, but she hasn't reached Udaipur and suddenly they got the information of her death on Monday.

The accused when interrogated has revealed that he came contact with the Twinkle a year back in July during his stay at his elder sister's house at Dungarpur that is situated near her house, after few months they had an affair and the couple decided to married to each other, their parents has also given them permission for the same, few months later Twinkle came to Udaipur for her studies and Kalpesh went

to Sikar to do B.Ed from Arya College.

But Kalpesh always had a doubt on his partner for being in touch with other boys and he was not happy with that, he started spying on Twinkle many ways, later when he confirmed his doubt he decided to end the life of Twinkle as he was in love with her and can not see her staying in touch with any other boy except him, he made a plan to end Twinkle's life and for that he had purchased a knife, on 14th June Sunday when she was coming to Udaipur accused boy was at his village and asked Twinkle to ride along with him on his bike as he was also coming to Udaipur for some work, the couple headed towards Udaipur and after reaching at Tokkar Choraha near Madri Railway track he took him to the alone shed of the Mahana Pratap Railway Station and killed her. The accused was booked under the charge of murder and interrogation is still on, where as the postmortem of the dead body was conducted on Tuesday morning and his dead was handed over to her parents.

## Chirwa Tunnel will open in August

**Udaipur :** Delhi-Mumbai national highway tunnel being built in the hills of Chirwa at eight in August is expected to begin the movement. Left Tunnel (LHS) is the only road Banni, the right tunnel (RHS) be responsible for the road-Deranej rest.

Chirwa out from under the hills across the tunnel after being drawn from the inside. RHS tunnel work has been completed. Drainage and road works here on Tuesday was running fast. Further work has begun lighting. LHS tunnel on the other side of the street there are several other functions. It will take about one and a half months to complete.

Chirwa deficit to Nathdwara Udaipur vehicles have to cross yet. Loss of nearly five kilometers dangerous turn and

climb and takes the journey from being jammed in Eklingsji. So many large vehicles fall into deficit and high speed when there are accidents.

Men's 35 minute journey on the way to the Nathdwara journey will be about 35 minutes. Chirwa deficit vehicles entering the road will be closed. Nathdwara currently takes more than an hour to go. After becoming Chirwa climb tunnel will reduce the deficit. Eklingsji taken jam will discharge. Bypass from vehicles Eklingsji and will not need to go delvada. They will go out to Nathdwara.

Atunnel will be ready in July. LHS is the work of the second tunnel. First a tunnel to begin in June, but now the two tunnels are being made to start in August.

## Graduate boys arrested for chain snatching

Sohail Khan/Udaipur

Drug addiction has once again ruin the life and the carrier of a duo of educated here at Udaipur and force them to become criminals as on Monday two boys of Udaipur were arrested by the police under the charge of Chain Snatching, both were produced in court and remanded in police custody remand for a day.

Accused were identified as Chirag Nalvaya a graduate boy of Mahaveer colony of Ashok Nagar and the only son of his parents and his aid Anubhav Parashar of Subhash Nagar area of the city, both were arrested by the police for snatching a gold chain of 28 grams from a 80 year old woman Heera Bai residing at Bada Bazar area of

Ghantaghar Police station circle. Heera's son Kailash Porwal on 2nd June has given a report to police that an accused has entered in his house at 9.30 at night and has snatched the gold chain from his elderly mother's neck when she was sleeping in her room, before she can react on the situation the accused fled away from the scene, said investigation officer Nathu Singh.

Nathu further added that taking the incidence seriously Adsp city Dr. Rajesh Bhardwaj has formed a team of cops led by Nathu Singh and initiated the investigation of the matter, the investigating team has taken some CCTV footages from the cameras installed out side one of the shop at Bada Bazar in that one

suspicious boy was found but cannot be identified easily, later the drug addicts of the area were interrogated and through them the boy was identified as Chirag Nalvaya, when his parents were contacted police learnt that he was not at his home and is receiving treatment at a Jaipur based addiction relief camp, soon the team rushed to Jaipur and nabbed the accused.

Chirag during the initial interrogation revealed that he has committed the crime along with one of his associate Anubhav Parashar who hails from Tonk road, Jaipur and staying at Subhash Nagar area of Udaipur, Subash was later arrested by the police on Monday on the information of Chirag, Nathu Singh said.
