Scholars of English unite to build bridges of harmony

XII Annual conference of Rajasthan Association for Studies in English held at Rajasthan Central University, Kishangarh

Rajasthan Association for Studies in English successfully organized its XII Annual conference at Rajasthan Central University, Kishangarh on 23 & 24 Nov. 2015. The theme of the conference was Evolving facets of Translation, Comparative Perspectives, Adaptation and Popular Culture. About one hundred fifty scholars, writers, translators and researchers participated in this two-day academic meet. The participants unanimously passed a resolution against growing intolerance and expressed their faith in literature's mission of building bridges across cultures and furthering love and harmony.

The conference was inaugurated by the Vice Chancellor of Central University of Rajasthan Prof. A.K. Pujari in the grand auditorium of the University. He advocated the need of translation in the post globalized world as no country can live in isolation now. He said that translation is a difficult literary work but also emphasized that it is a prerequisite of building a plural multicultural society.

Prof. A.K. Singh, former Vice Chancellor of Ambedkar University, Ahmedabad and Director, School of Translation Studies, Indira Gandhi Open University, New Delhi in his key note address said that through translation only different people of the world

can come together. He said that the translation activity is more popular in science and social sciences. He informed that technological advancement has also made translation easy. The Google has created a real time translation device which is correct up to 95 percent.

Prof. H. S. Chandalia, Vice President of RASE welcomed the delegates and guests. He said that the need of the hour is to encourage translation from regional languages to English and Vice-versa. He said that translation is an activity which builds bridges across not only languages but also across cultures. It is an opportune time to go for translating emotions of love and peace and bring together people of different cultures in this strife - torn world.

Prof. Sunil Bhargava, General

Secretary of the Association presented the annual report of the Association while Prof. Supriya Agarwal, Director of the Conference gave the welcome address. Prof. Chandramohan from University of Delhi made the Presidential remarks. Dr. Sanjay Arora, convener of the conference offered a vote of thanks.
