Makeover of a Lake

Udaipur : A city garden will be developed at the shore of Goverdhan Sagar Lake of Udaipur. This project will be done in the Amrit Yojna with the help of Nagar Nagam Udaipur. Corporation has planned to develop path way and children's playing equipments as well. The corporation has started the process for tenders for the project already. Corporatin Comissioner Siddharth Sihag informed that the tender process will be completed by May 20. Post that the work order will be awarded and the cotrater will be allowed 12 month's time to complete the project.

In the Amrit Yojna itself, a canal from Udiyapole to Ahar will be constructed. the estimated cost for the same is 11.50 crores of rypees. corporation has planned to complete the canal in one year only.

The park at the shore of Goverdhan Sagar is aimed at developing the Lake as another major tourist attraction on the lines of Fatehsagar an Pichhola. For the suburban areas, there are no good gardens or places to walk and enjoy the nature. And the Goverdhan Sagar Lake is the only place which had the potential to be developed as a tourist point. The work of ring road is already in progress. Recently some con-

structions were abolished to complete the ring road. An island in the shape of a ship is also planned in the middle of the Lake which will give it a unique look among all Lakes of the city. The former mayor Ravindra Shrimali had initiated the facelift of this otherwise isolated and ignored Lake. Since then the Lake is getting beautiful every passing day. People from Hiran Magri and goverdhan Vilas has started visiting the Lake.

Problem Solution Camp at UCCI

Udaipur : A monthly industrial and business problem solution camp was organized at UCCI and was presided by Vipul Jain, director of district industrial centre. Many bigwigs of industry and corporate world participated in it.

President V. P. Rathni welcomed all government officials of different departments Senior Vice President Hansraj Choudhary put forward the problems faced by the industrialists and discussed about its solutions. Madri and Gudli industrial areas turned out to be the ones lacking proper management. S. L. Chelawat, President of Gudli industrial area told that many places in Gudli are covered with debris. No action was taken even after several complaints by RIICO officers.

84.70 km long sewer line will be laid in City

Udaipur : Laying out sewerage line in the city and to take out sewerage line from Pichhola Lake will be the biggest job this year. The 84.70 km long sewerage line will be laid out in the city. This work is expected to cost Rs 85 crore.

For this work under the supervision of the municipal Rajasthan Urban Drinking Water Sewerage and Infrastructure Corporation Limited has started the tender process. Under certain areas

of the city, covering 84.70 km sewerage line will be laid. Pichhola lake littered sewerage line will work out. The task of the urban sewage disposal as well as systematic Ayadh River falling into the river would reduce the amount of urban sewage. The tender process will be completed on May 25. Once the work order for the contractor to complete the work will be 24 months. The work is expected to start within the next two months.
