During the meeting through telephonic conference, Manan Chaturvedi, chairman of Rajasthan State Commission for Protection of Child Rights, Jaipur Speaking Network members the best of luck for this initiative which his group welcomed the initiative.

Jal Swavlamban Abhiyan**A Revolutionary and Unique Initiative by CM Raje**

Udaipur(Hritu Sodhi, APRO) : The pain of thirst can only be understood by a mother's heart.

Cm Smt. Vasundhara Raje felt the pain of millions and came forward for the people of Rajasthan.

This will not be forgotten by the common man for years.

Her unique initiative has made entire rajasthan proud. Her motherly touch supported million hearts and tears of joy can be seen in the eyes of villagers who had been suffering from water shortage since ages.

Mukhyamantri Jal Swavlamban Abhiyan was launched to raise the ground water level and meet out the requirements of drinking water in state. Clean water scarcity has become one of the biggest problems of our country specially in Rajasthan.

Rajasthan is India's largest state and share it's border with Pakistan and other States of India.

It is located on the western side of the country which is sandy and dry. Most of it's part is covered with desert and thinly populated.

Villagers are fully dependent on rain for water solutions

in every season. Agriculture and Cattle breeding are main sources of living in Rajasthan.

Rivers and lakes of State get quickly dried and water level goes down in remote areas soon after monsoon. Water flows out of the hills and goes completely wasted in rainy season leaving behind drought for rest of the year. This effects the whole eco system and greenery disappears as soon as the climate changes after rainy season. This mega project was designed to overcome these problems.

Each and every river, pond, lake and valleys will attain self-sufficiency in terms of water storage.

Rural women and their grief:

Water availability for herd and cattle is the basic desire of a rural woman.

Sweltering heat burn their feet in summers. Agriculture get effected severely without sufficient water. Rural women travel many kilometers in search of water in remote areas. These women are coming forward to change the face of their areas. With the help of Shovels and other equipments, these rural women showed their caliber to the whole world.

Present scenario and vision of future:

All villages will have plenty of water to fulfill the requirements of villages and their farms. Whole campaign has been launched to solve water relat-

ed issues forever.

Publicand Administration's active participation:

Public awareness is essential to make any campaign successful. Public of Rajasthan understood this and actively taking part to make this campaign alive.

In many parts of the state, villagers zeal and enthusiasm ripped off mountain rocks in minutes and changed their dry lands into green and wet lands by digging new trenches and pits over mountains and plain lands.

Army, police and administration are selflessly doing efforts to solve water shortage problems. Collectors and other senior officials contributed with vigour

and zeal to solve regional and social problems of their areas.

Traditional and old water resources (wells and bawdis) have recovered and water storage capacity of ponds and other water sources are being extended under this mega project all over Rajasthan.

Expenditure and funds:

A huge fund of 109870 lakhs has sanctioned through budget provisions for this campaign. By the end of 21st April 2016, a sum of 18921.95 lakhs is utilized and 61 thousand 137 works has sanctioned due monitoring and directions issued at various levels. 23 thousand 665 works in this mega project has completed on which amount of 18291.94

lakhs have been spent.

Detail project report of 176690.61 lakhs for 1 lakh 868 works is prepared in this mega project amounting 164045.93 lakhs.

Army and police participation:

Indian Army has shown great spirit and devoir for our Nation several times. Army men overwhelmingly worked for the construction of trenches on high mountains and within few hours ended up digging numerous trenches in many parts.

Udaipur ranked one in this project:

Udaipur district ranked one in whole state. It's a matter of pride for the citizens of udaipur city and rural areas. 3298 projects have completed during this period.

Udaipur's DM Shri Rohit Gupta worked for day and night to make his district number one. He is popular among public and set an unique example for others.

Jal Swavlamban Abhiyan is the ray of hope for the state of Rajasthan. This mega project will show path to other states of India.

90 farmers commit suicide everyday in Country : Dr. Girija Vyas

Udaipur : Leveling serious allegations against BJP led state and center government, former central minister Dr. Girija Vyas said that none of these goeremnts have done anything to tackle the drought situation in state and country.

"More than 30500 villages have been affected badly with drought this season in state only and government hasn't even arranged drinking water tankers," she said.

She added that more than 33 crores of people are affected with drought in alone 10 provinces of Maharashtra and Gujrat states. If states like Bihar, Uttarakhand, and Uttar Pradesh are also added to the list, the number of affected people shoot up to 48.27 crores of people.

Dr. Vyas revealed that more approximately nine farmers are giving up their

lives on daily basis. The Farming Development rate has reduced from 3.7 (in UPA regime) percent to 0.2 today. She demanded employment, food security act implementation, and making national disaster fund available to the needy ones in three lakh villages of 300 districts of 13 provinces.

She claimed that drought is not an overnight disaster. Government failed to prepare a plan to deal with it. Questioning government over the VIP chop-

per scam, Dr. Vyas said that the company which was blacklisted has now been made an ally in Make in India project.

District president Gopal Sharma in the conference said that workers are meeting on May 3 to plan about visiting Delhi. Rural Congress president Lal Singh Jhala said that congress will protest at SDM head quarters for seven days starting from May 12 for Electricity, Water, and drought. Pankaj Sharma and Trilok Purbia also expressed their views.

Commitment to education can build India's future: Prof Sharma

Udaipur : India's future is centres around the commitment towards. This idea was expressed by MPUAT Vice-Chancellor Prof Uma Shankar Sharma on Friday at Janardan Rai Nagar Rajasthan Vidyapeeth University, organized, the teacher training college.

VC Sharma was present in 45th Lal Bahadur Shastri Akhil Rajasthan inter college debate competition as the chief guest. The theme of the competi-

tion in the counsel of the House was "state schools for quality education of children of government employees and the representatives of the people is essential. The event's president ship was done by Vice-Chancellor Prof SS Sarangdevot. For the debate competition, students from entire Rajasthan's Teachers Training College represented. On the institutional level, Lok Manaya Tilak Teachers Training College got the first posi-

tion and second position was secured by The Scholar Arena Teachers Training College. The first position went to Meenakshi Suthar (support), Lok Manaya Tilak, at second position Leena Malviya (support) Lok Manaya Tilak, the third position was secured by Tina Dheer (opposition), The Scholar Arena Teachers Training College. The guests were welcomed by Principal Dr Shashi Chittoda and the program was conducted by Dr Vrinda Sharma.

Mr. Richard Barooah is new GM of Radisson Udaipur

Udaipur : Radisson Udaipur in a short span of just four months has gained popularity in the city for its great food & hospitality. The hotel has recently appointed Mr. Richard Barooah as their new General Manager. Mr. Barooah plans to take the success of the hotel to newer heights with innovative activities. Located in the heart of Udaipur City, the hotel wants to provide an unforgettable

experience to all its guests and become a landmark in the city. "With our expertise in hospitality business, which is backed by a brand like Carlson Rezidor,

Radisson Udaipur would surely be the best landmark in hospitality in the city of Udaipur," said Mr. Barooah, General Manager, Radisson Udaipur.

"We plan to introduce innovative ideas to bond well with our guests and make our hotel the city's No.1 upscale business hotel," he added. To target the

new generation, the hotel is in the process to start 'Fun' evenings for the young. These fun activities will make the youngsters feel at home during their visit to the hotel. The restaurant will up its ante to become the most favoured destination in the city for food and beverages. The hotel has plans to introduce Indian and Global food festivals to familiarize guests with variety of cuisines

for an extraordinary gastro-nomic experience. In addition cookery classes will be organized for the benefit of the lady guests during weekdays.

Radisson Udaipur has a huge banqueting space, to cater to the growing demand for party space amongst the elite of the city. New state-of the art conferencing/banqueting facilities will be introduced to provide personalised experience.
