Awya Agrawals Cat Walk And Baba Honey Bang Presentation At Stage Remained Major Highlight

A glamorized evening in Udaipur

Udaipur: (Prashant Shrivastava) The glamour amalgamated with style and elegance rocked the people of all ages right here in Udaipur when more than 24 heart robe models walked the ramp. The place was auditorium of Mohan Lal Sukhadia University and the organizers were from Pacific Institute of Fashion Technology and Mass Communication. It was actually an annual function of the college known as Illuminati 2016 and local students got this opportunity to match the walk with some of the highly prominent models and artists of the country.

With various themes of life and fashion, the program also included kids' cocktail in the list. The show was designed by Gagan Kumar and Keerti Rathore from Mumbai. The show stopper were Gurlin Grewal (who was miss India International 2013) and Shreya Mishra (Femina Miss India 2013).

The fashion show was further brightened and glamorized by many eminent beauties including Miss Asia Pacific World, Lakme Pool Model, Miss Tourism International, Global

International, Style Diva, Miss Femina Style Diva and other 23 models from across the country.

Finance Secretary Ashish Agrawal apprised that Lakme and Wills Super model Akshi Khari, Miss India Global International 2011 Parul Duggal, Lakme and Wills Super Model Namrata Gujran, Minash Rauthar, Sarita Patel, Parul Bindal, Cuty Nagpal, Jaspal Kaur, Lavia Israni, Mehtab Mirza, Ruci chaturvedi, Malvika Satlani, tithi Raj, Swati Nanda, Yashi Verma, Sona Goldar, and Dimple Patel will grace the occasion with their glamor and beauty.

In male models, Vipul Juneja, Vipul Chaudhary, Sunny cheema, and Mujmil Aziz will walk the ramp. Program was graced by many eminent personalities including special guest CMHO Dr. Sanjiv Tank, additional CMHO Dr. Ragini Agrawal, CI of Excise department Devendra Giri, Virendra Kumar Lodha, SP Sharma and Shailendra Jain from New India Insurance.

Director of PIBS Dr. Mahendra Sojatiya told that the theme of the show was prepared

by the students of fashion and textile under the guidance of Sheetal Agarwal. The stage of the show was designed and constructed by students of interior and architect.

The jewelry and dresses of models was done up by students of fashion, textile, jewelry and fine arts students under the guidance of their faculty members.

Shruti Saxena who is the chief advisor of Pacific Institute of Fashion Technology said that the event was beautifully choreographed by Sandeep Dharma who has been being felicitated in Pune and Mumbai in last two years. Dharma has worked as an international producer and was director of World Wide India 2014. He has worked with renowned personalities like Prachi Desai, Zareen Khan, Sonal Chauhan, Arti Chhabria, Mughda Godse, Sharad Kelkar, and Tapsi Pannu.

Miss India Continental Shreya Mishra opines that be it modeling or any other career, apt aptitude is what you need. She refused to accept the modeling as a backup option. She rather believes that one must take right step at the right time

in any career. She expressed her will to act in movies in future.

Miss India International 2013 Gurleen Grewal considers fitness the mantra of success in her life. She says that it isn't easy to be a role model everyday but anything can be achieved through hard work. She shared that she wanted to join army after her commerce graduation but she is now happy being in the world of modelling.

Miss India Word Wide 2010 Ruhi Chaturvedi believes that being positive and refraining from censuring others lead you to the path of success. She will be seen acting in Rajasthani film Kangna by Goofi Paintal and Hindi movie Hoja Zara Matlabi by Harish Raut. Ruhi was excited to tell that Rajasthani movie's most part has been shot here in Udaipur.

Vipul Chaudhary who traveled from Ajmer to Mumbai shares that he had to struggle initially for his break which came from designer Gagan Kumar. He believes that success can be achieved through hard work and not luck. Vipul has been first runner up in Mr. Rajasthan contest.

Famous choreographer Sandeep Dharma thinks that no success can be achieved through escalators, only steps of hard work can take you to the top. Dharma is soon going to start Indian Television Academy in Pune in association with famous director Shashi Ranjan in which aspirants will be given training of acting and training.

Keerti Rathore who designs clothes for male celebrities believes that one should learn from nature. She prefers surroundings and natural ambience

in here designs. Keerti has been fond of designing from the early age of 10. She has qualified for RAS but has established her identity as a designer and has proudly made dresses for celebrities like Amitabh Bachchan.

Renowned dress designer Gagan Kumar opines that Indian garments have special identity in India and across the world. Gagan Kumar designs clothes according to weather and he believes that fashion keeps recycling. He believes that comfortable dresses are real fashion.

Tea with IITians Coffee with IBMers : Guiding the Way to Success in Life

Udaipur: A mega event "Tea with IITians. Coffee with IBMers" was held at RCA auditorium on 13th June to answer questions of 12th Science students on admissions in IITs, BITS, NITs and other institutes and career path choices available to them. Keynote address was delivered by Mr. Rohit Gupta, Collector, Udaipur, who is himself an IITian.

A high powered panel consisting of IITians Mr. Rohit Gupta (IIT Delhi) present collector of Udaipur, Dr. Pankaj Porwal (IIT, Mumbai & Cornell University) presently Principal at Techno India NJR Institute of Technology, Apoorva Mathur (IIT Mumbai), Anirudh Swarnkar

(IIT, Mumbai), Ravi Soni (IIT Delhi), Aarti Gil (IIT, Roorkee), Dr. B.R. Natrajan (B.Tech & PhD, BITS, Pilani) ex dean BITS, R.S.Vyas (BITS, Pilani) Founder, Techno NJR Institute of Technology and Manoj Mehrotra (NIT, Trichy) ex Philips & VP Videocon interacted with 250 students who had done extremely well in IIT JEE 2016 exam for 4 hours to answer all their queries related to admissions, branches, how to make proper choices and many more questions. Also on the panel were 2 long time IBMers Lalit Yagnik (BITS Pilani) ex director, IBM and R.Hari, Team Leader, Growth

Market Unit at IBM, who advised students not to get disheartened if they could not enter elite Institutions like IIT/BITS/NIT and focus more of developing skills. The event was anchored by Juhi Raai, author of the book "Chicken Soup for the IITian's Soul"

It was unanimously concluded in the discussion that, to be successful college and branches play a minor role. The success depends on knowledge, skills, determination, and hard work. Engineering education opens doors for wide range of career options. IITians are not only successful in business and industry, they are equally successful in public life like Defence Minister of India, Mr. Manohar Parrikar, Chief Minister of New Delhi, Mr. Arvind Kejriwal, famous Author: Chetan Bhagat

It is a proud moment for Rajasthan that this year's IIT JEE topper is from Rajasthan. Kavya Bhandari, Girls Topper of Delhi Zone in IIT JEE 2016 (Advanced) was also felicitated by Techno NJR director R.S.Vyas and Saurabh Khidiya, Unit head Dainik Bhaskar.

92.7 Big FM and Arvana launches "Save Water Save Life" Campaign

Udaipur: Of concern to address the water crisis in Udaipur 92.7 Big FM and Arvana Water Conservation Awareness drive relay to the Big Water drive was flagged off by Lakshayraj Singh Mewar and Mayor Chandrasingh Kothari.

On the occasion, Kothari and Lakshayraj Singh Mewar said that where there's water, there is tomorrow. We all collectively have to find a solution to the water crisis in the future. For this, they deeply praised the organizers of the campaign.

Giving details about the event, said Aftab Hassan of Arvana that currently need to become water conservation 92.7 BIG FM's "Save Water, Make Life" campaign promoted awareness on the issue of saving water doing. Those harsh facts, which reflect the seriousness of the issue and by rain-water harvesting and water conservation with general tips on all the points mentioned above, the campaign is putting light for one month. The campaign began last from May 25 until June 25 last.

Save Water, Life on ground and various campaigns on air

elements shaking, showing 4 stages by which the audience awareness, advocacy, engagement and termination on ground were encouraged to conserve water.

He said at present, the lack of water is a sensitive issue for those families who are struggling with this problem, especially in drought-hit areas. Under the campaign to the public water scarcity and conservation and its importance for India's growing population was informed about the facts. Facts also brought to the public water conservation. 'Make Life Save Water' campaign ahead of the airwaves carrying RJ, local NGOs, and other governing bodies water market, visiting different places simultaneously

benefit the citizens to save water and prevent wastage of water ways is educated.

The final step in closing, "Save Water Make Life" campaign bringing together the efforts made from a water tanker will be rotated in the Udaipur and Udaipur in collaboration with the people who will be collecting the water that later areas of Udaipur where water would be distributed in the problem.

Save Water Make Life Campaign emerging digital and social media platforms effectively used not only to spread awareness of the lack of water, but also water conservation and harvesting tips for the audience and will present facts and daily waste will help reduce the amount of water.
