## Say goodbye to stress

**Udaipur:** It's time to say goodbye to all the concerns and stresses of life by practicing only 12 days. 12-day free stress relief and meditation cognition camp "Goodbye Stress" is in full swing from 27th October and it will conclude on 7th November at Bhopalpur Ground, O Road, Udaipur Senior Brahma Kumari Rita Sister told that the renowned Sister, is teaching Udaipurites to assimilate in daily life by experiencing various levels of stress relief.

Rita Sister told that people are getting immense enthusiasm for the camp. Thousands of people are participating Senior Brahma Kumari Rita Sister said that people have the means of happiness in the life of today's part of life, but lack of happiness at every step in life. The person is getting away from spirituality. On third day Poonam Sister

Focused on theme Make the mind strong, shake the problems:

Make the mind strong and shake away problems Due to weakness of mind, we go deep into every problem. Mini particle gives the form of a mountain.

It is a psychological truth that thinking over the problems, the problems take on a vivid form. Vain thought has become our habit. If you want to get rid of problems, stop thinking more. This does not change the future. That is what is certain in this game.

This idea was expressed by senior Brahmakumari and Rajyogini Poonam Sister on the third day of 12-day Free Tension Release and Meditation Cognition Camp 'Goodbye Stress' in the presence of thousands of city dwellers, Poonam Sister said that today we are measuring the heights of the sky but do not know who I am? On the day when they will know the forces within themselves, everything will be played. If necessary, to awaken the infinite powers of the mind.

In the history of the person who has recognized this, the mind is in the right direction, it is called great. Work from impossible even possible. Alexander removed the impossible word from his dictionary and moved towards world conquest. The problems like mountain collapsed.

Through meditation yoga, when Rajyogini Poonam Sister practiced this practice that I am not the body in fact, but apart from it is the Ajar, Amar Avinashi Soul. My whole life is being published from the light point.

So the present city dwellers start diving in the ocean of tranquility. All the burden of the mind disappeared in minutes and it began to become lightening and fly in peace. It felt that the body is different, the cosmic power of soul is different. Eyed eyes split in the eyes of many, and the heart was cleansed.

Sister said that all worries, grief and disease are generated only when we start to understand ourselves as a body. This is the main reason for stress. If the owner gets the body then the soul slave Keep control over the workers, do not be angry with the matter. There is no bone in the tongue of two and a half inches, but it can also break someone's bone, so say the sweetest one. They gave homework to the seekers that they will speak the sweetest and experience the miracle from today. Raja Yogi Rita Sister told that during the camp many people have resolved to abandon addiction from today. On Monday, the 'Changsha Mahotsav' will be celebrated. In it, it will be told that some years old rituals, temperaments, emotions are obstructing the path of a person. How to make their Practical changes, so that the impaired relationship can become sweet again. The time of camp in Bhopalpur Ground is 6.30 am to 8 pm in the morning. The camp will last till November 7. The sixth day will be celebrated as 'Anand Utsav,' New Day 'World Sadbhavna Day,' 10th day 'Alaukik Janmotsava,' eleventh day 'Mahavijay Utsav.'

# Pushkar Calling.....

The world famous Pushkar Mela will commence on 28, in Pushkar near Ajmer on the auspicious 'Ashtmi' or 8th day of lunar calendar. The Mela will be eight day long and conclude on November 04, 2017.

Pushkar Mela is organised by Rajasthan Tourism and District Administration every year, for celebrating the years old tra-

ditions and treasures of the state. This vibrant fest, also known as the Pushkar Camel Fair or Pushkar Fair, is a colourful and vibrant display of unique exhibitions, exciting competitions and fascinating events. Besides, this fair is renowned for being one of the world's largest cattle fair.

The 8 day festival will witness

a melange of cultural and adventure activities like Harmony Marathon (From Dargah Shareef in Ajmer to Brahma Temple in Pushkar) in the morning, hot air balloon flights Nagada Vadan, Pooja at different temples, Mandana Competition, football Match with foreigners, adventure sports and activities at

Adventure Zone, Shilgram Handicrafts Bazar, Deepdaan, Rangoli, Maha Arti, Pushkar Abhishek at Pushkar Sarovar, Spiritual walks, Rural sports, Exhibitions, Cultural performances by the locals, as well as LIVE musical performances by famous local and international artists. This year's Pushkar Mela will have bigger and grander experience for tourists.

### Pushkar ki Pukaar

A signature tune called the Pushkar ki Pukaar, created especially for this year's Mela will debut across the festival giving the Mela a unique musical identity.

### Elevated Seating Area

This year the Pushkar Fair debuts an Elevated Sitting Arena with specially designed tented viewing galleries for visitors.

Crafted with comfort in mind, this arena takes into account all modern amenities visitors

may require to enjoy their Pushkar experience. This includes a clean and hygienic sitting environment, comfortable settings, a lounge like atmosphere and unhindered views of all the action.

Pushkar Mela is among the most visited fests in India and attracts domestic and foreign tourists with its presentation of culture, adventure and rural economy.

Through concerted efforts of the tourism department, Pushkar Mela has emerged as one of the most attractive fairs in India.

From 3.5 lakh domestic visitors in 2010, the fair attracted over 5 lakh domestic visitors in 2015. Correspondingly the number of foreign tourists increased from nearly 6 thousand to 12 thousand.

This year, the tourism department is expecting an increase of 10% footfall on account of robust marketing of Mela. The

Mela is also being promoted through domestic and international travel marts.

During the fair, lakhs of people from rural India flock to Pushkar, along with camel and cattle for several days of livestock trading, horse dealing, pilgrimage and religious festival.

The camel and cattle trading is at its peak during the first half of festival period.

During the latter half, religious activities dominate the scenario.

Devotees take dips in the holy "Sarovar" lake, as the sacred water is known to bestow salvation.

It is to be noted that it is a success story of new initiatives in Government sector.

The event has been outsourced on PPP mode for 5 years. This is the 3rd year running by the associate firm and the scale of the event has enhanced every year.

### Miraj Morning ; First RERA certified building project

**Udaipur:** Miraj Morning was first to get the Building Completion Certificate (BCC) making it the first such project getting this certificate after the implementation of RERA (Real Estate Regulatory Authority).

Under RERA, it will be a win win project for both the developer and home owner, as once the building gets a BCC certificate under RERA, no GST will be applicable, taking down the final ownership cost by around 12% under the current market scenario, said Prabhakar Shukla. Other Nathdwara projects of Miraj, viz. Miraj Meridian have also secured the building completion certificate under RERA.

### Country's first leopard project to start in Jaisamand sanctuary

**Udaipur:** Rajasthan forest department will soon start a pilot project for protecting leopard and its habitats in three wildlife sanctuaries. This will be the first of its kind initiative in India.

The pilot project will be launched in 3 sanctuaries at an estimated cost of Rs 21 Crores. These three sanctuaries have been identified as Jaisamand sanctuary, Kumbalgarh sanctuary-Raoli Todgarh sanctuary and Jhalana Aamagarh Conservation Reserve in Jaipur.

Readers may note that CM Raje had allocated Rs 7 Crore in 2017-18 budget for Project Leopard. The balance Rs 14 Crore will be taken from Compensatory Afforestation Management and Planning Authority (CAMPAA) fund.

The project will try to conserve the endangered animal by controlling poaching, mitigating conflict with humans and increasing its prey base.

There were 434 leopards in Rajasthan as per wildlife census done in 2015.

The Project Leopard is being launched along the same lines

as Project Tiger that was launched in 1973.

### Ring road at Udaipur proposed under Bharatmala project

**Udaipur:** Udaipur is one of the 28 cities that have been identified for construction of a ring road under the Bharatmala project to unclog traffic in various cities across India. 45 bypasses have also been planned under the project.

Ring roads have been planned in Udaipur, Bengaluru, Pune, Sambalpur, Madurai, Indore, Dhule, Raipur, Shivpuri, Delhi, Bhubaneswar, Gurugram, Surat, Patna, Lucknow, Varanasi, Vijayawada, Chitradurga, Amravati (AP), Sagar, Solapur, Jaipur, Belgaum, Nagpur, Agra, Kota, Dhanbad and Ranchi.

Union Minister for Road Transport and Highways Nitin Gadkari on Wednesday presented a blueprint to the media a day after the Union Cabinet approved Phase I of Bharatmala Pariyojana.

According to MoRTH Secretary Yudhvir Singh Malik, the stretches have been identified after scientific study of traffic pattern of all the identified ring roads and bypasses all over the country.

Gadkari said that the Ministry has finalised the proposals to construct 28 new ring roads. A total of around 600 projects have been identified across the components for Bharatmala which is a new umbrella programme for the highways sector that focuses on optimising the efficiency of road traffic movement across the country by bridging critical infrastructure gaps.

With this projects, India will have "world-class roads on par with the US and Germany" and special emphasis has been accorded to providing quality roads on borders adjoining China and Pakistan, besides far-flung tribal areas. "The entire programme will be transparent, corruption-free with full emphasis on quality. Each and every work will be through electronic tenders and the quality of highways would be such that they would see no potholes for the next 100 years," Gadkari said.

Gadkari said, "The Bharatmala project is the biggest ever infrastructural project taken in the country." While further talking about it, he added, "Bharatmala will lead to significant improvements in road safety and save lives."
