

KOTA: Coaching Capital Of India

Live like a player, life will be even more exciting

Udaipur: Life should live like a player. The player is not disappointed even after losing a match, but preparing for the second match with more energy and he comes down with more enthusiasm. Whatever the outcome is the feeling of winning should be maintained all the time.

Bollywood actor Vineet Kumar Singh, who plays the boxer in this movie, 'mukhabaz', told the youth cricketers of Udaipur on Saturday evening. He was speaking as the chief guest at the Namu Cricket Cup - 2018 prize distribution ceremony organized by NamuViharManch in Vivekananda Auditorium of Sukhadiya University.

He said that keeping the names of the teams in the name of the plans of Prime Minister Modi, the teams of all the societies are related to the positive attitude of the youth. If the plans of society work with the people will reach the people, then every needy will benefit. He called upon every young man to have the feeling of helping others. It is notable that actor Vineet Kumar Singh himself has been a national level volleyball player and has also been a topper in medical college. He has acted in films such as gangs of wasseypur, Bombay Talkies, Bollywood Diaries, City of Gold etc.

Praveen Rattlia, state president of NamuSamajParishad, an organizer said that this was the first ever cricket competition in the country not only in the name of the names of all the teams named after the various schemes of PM Modi and the colors of the tracksuits of all the teams were different.

The team joined every society. A total of 32 teams were selected. They are all one, but this is decided by this theme and keeping the names of teams in the name of the schemes, everybody has got information about the schemes, all have resolved to send the information of these schemes to the needy. The players of all teams have pledged to send information and benefits to the schemes of 32 thousand people, which will be completed until September 17, 2018, by PM Modi's birthday.

Gayatri Mantra was chanted before every match in this tournament so that the youth should remain connected to their culture and with everyone's wish was made. The special thing is that the report of this tournament has also been sought by the Prime Minister's Office. It is expected that shortly there will be arrangements in all the districts of the entire country on this pattern. The program started with Ganpati Vandana. Some other players, including Udaipur's rising batsman Nikhil Douro, also thought about it. In the program, Dr. Shailendra Chundawat was honored for doing better work in the safe maternity scheme, Dr. Nitisha Katrik for doing better work in the National Child Health Program and Dr. Akshay Vyas for doing better work in Mission Rainbow.

The clean India team of Valmikisociety doing best of all - The Clean India team of Valmiki Sama in the tournament was the winner. The trophy was awarded to all the players including Capt Mahendra Chaparwal. Runners-up Jain is the Sukanya prosperity team of society. The players were rewarded with their captain Dr Prakash Jain. In addition to this, the players of all the teams were also awarded prizes which were the Man of the Match in different matches. A memory icon was provided to every player of all 32 teams. Man of the series was Sonu Gusar of the entire tournament, Best Island Award nominee Nikhil Doru and Best Bowler award was awarded to Abhishek Gussar.

The teams of these societies were in the field - The team of minor society landed in the name of Prime Minister's Flight Plan Likewise, two teams of Soni society, by the name of solar swirl and safe road, by the name of village change of Kumavat society, by the name of Siddhi from the resolution of Goswami society, by the name of security insurance of Sen society, by the name of crop insurance scheme of Kayastha society, the name of the Khatik society, Aslamita, the Atal Pension of Yadav Samaj, Make in India of Shrimali society, the daughter of Dami Samaj, save the daughter-daughter, teach two teams of Valmiki society, rainbow and clean India, The three teams of Sahu society, according to Ideal Village, poor welfare and housing, two teams of Mali society, smart cities and currency names, two teams of Kalaal society, one rank pension and smart ganga, two teams of Sindhi society, public money and From the name of the youth, four teams of Jain society, Swadesh Darshan, Sukanya prosperity, Energy Ganga and Ujjwala, three teams of sustainable society, by name, Atal Bhujal, Jeevan Jyoti Insurance and National Vyasri and by name. Ahmn had landed three teams village irrigation, field skills development and Jnawdsi name of society.

RDTM-2018 will decide the new tourist destination

Udaipur: Rajasthan Domestic Travel Mart-2018 is being organized in the Birla Auditorium of Jaipur from 20th July, by the Federation of Hospitality and Tourism of Rajasthan for promoting domestic tourism and a new direction in the country. In which 1500 participants from across the country will participate. Earlier, FHRT President Bhim Singh said that this Mart will prove to be a milestone in the tourism sector of the state. Tourism Deputy Director Sumita Saroch, FHRT's Senior Vice President Randhir Vikram Singh, Vice President Khalil Khan, Sunil Gupta and many office bearers from Jaipur were present in Road Show. It was attended by many office bearers of Hotel Association, Hotel owner, Tours Operators, General Manager of Rajasthan Tours Farooq Qureshi, from Udaipur.

Dr. Prabhat Kumar Singhal K.D. Abbasi

Kota: There will be no exaggeration if Kota is called "India's Coaching Capital" nowadays. In the field of education, There was a time when princes of Kota were to be sent to Mayo College Ajmer for the education. Today, millions of students come Kota from all corner of the country for education. With efforts of the past two decades, Kota has become a resemblance center of great education centers like ancient Taxshilla and Nalanda of ancient times.

According to information students studing in Kota Succeeded in capturing one-third of the seats in competitive exams, it themselves tell the story of the success of coaching.

About 150 coaching institutes in Kota are engaged in fulfilling forms of approximately 1.50 lakh students. Al en Career Institute (Government Resolution, Cognition, Discount), Resonance, Career Point, Vibrant Academy, Bansal Classes, Akash Institute,

Brilliant Tutorials, Medical and Engineering Coaching is the premier institution in the Kota. Apart from them, Motion Institute, Gate Academy, Core Academy, Narayana IIT Academy, Fitji, Rao, IIT. Academy, Quantum Classes, CMI Edu Tech Pvt., Maa Sharda Technical Institute, Elite Classes and Career Institute of Commerce and Accounts are among few institutions JEE (Mains) Advanced, JEE Mains- IEEEE, NEET, UG-AIIMS, Pre-Medical, Pre-Foundation, GATE, IIT-JEE

(Main Advance), CBSC., C.A. And C.S. etc. Coachings were given by these institutions. The father of coaching in Kota is considered Vinod Kumar Bansal. He started Tuitions profession in mathematics in 1989 in a small garage Diligence, passion and sincerity brought color and today have become his own institute in the Vigyan Nagar. The institute has also started its branches in Nepal, Shillong, and Indochina including Mumbai, Kolkata, Assam, New Delhi. Physics expert RK Verma started his career in

1995 with the teachings of Physics in Bansal Classes, later left the job in 2001 & started his own coaching institute in the name of Resonance. Today, 30 centers are operational in the country, Allen Career Institute was founded in memory of Lakshmi Narayan Maheshwari on April 18, 1988, for coaching of all science subjects under one roof. Four brothers Govind, Rajesh, Naveen and Brajesh Maheswari stated teaching. Today, it has become a leading institute of engineering and medical coaching, realizing the dreams of becoming an engineer and a doctor.

Training with facilities can be kept in the Star category. Air-conditioned classrooms, audio-sophisticated video equipment computer labs, lavish libraries, the convenience of suffering has become commonplace. The fees for the Star Coaching Institute are the same and the result is also. Many coaching institutes enroll students after the pre-interview and work hard with their students. If the students are committed to

doing competitive exams, then the coaching institute is committed to maximizing the target with maximum students. In contrast to the perceptions of old families, today's parents and guardians consider expenditure on the education of children is the best investment.

They Never used to spend the minimum amount on primary education, today kids are sent to Shishu, Palna Ghar or Kid's School at the age of three or less. Its cost is heavy. Parents today want their children to read well and get ready for competing by passing with good numbers. For this, their trust in schooling is partial and they provide special coaching to children. The process of coaching Only after the arrival in coaching institute, the student gets a systematic timetable for a full year. Under which syllabus is divided in such a way that the entire course can be completed before the time. A classroom has 60-150 students. Experienced former college professors coaching with many famous writers, I.L.T. engi-

neers and doctors are teaching students with full devotions. The Daily Practice sheet (DPP) is provided based on that topic after classrooms sessions. Students who have to solve themselves. There is also the Problem Solving Session in Coaching Institutions where students solve their problems. In order to increase the ability of the student to remember the subject of the Integrated Lecture Test and Disclosure (ILDT) Pattern has been developed. The questions asked in the given test are solved. Through this whole process, the students get this particular story memorable. Weekly and monthly tests are also conducted along with this regular study. The result of which is available on the notice board along with the notice board and In-house Magazine Some institutions have adopted the technique to inform progress of their children on regular basis. Inspiration to give the best results in these exams. Apart from this, the students' excellence study materials are also provided.

Hindustan Zinc wins Gold in SEEM National Energy Management Awards 2017

Hindustan Zinc's Captive Power Plant (CPP) at Chanderiya Smelting Complex won Gold award in SEEM National Energy Management Awards (SNEMA) 2017, under the category 'Industries CPP'. The award ceremony was held in New Delhi on 25th May 2018, where the jury identified the best performing industries, facilities and individuals in various categories from 184 nominations. On behalf of Hindustan Zinc, Mr. Nishant Somwanshi (CPP), Mr. Prashant Gaur (KPS) and Mr. S Y Lee (KPS) received the award. SEEM Awards are presented to those companies and individuals who are putting their best efforts towards improving energy efficiency, thereby supporting India's journey towards climate change and sustainable

development. Hindustan Zinc, India's only and world's leading integrated Zinc-Lead-Silver producer is headquartered in Udaipur in the State of Rajasthan where it has its Zinc-Lead mines and smelting complexes.

On being awarded the SNEMA 2017, Pavan Kaushik, Head - Corporate Communication, Hindustan Zinc said, "Hindustan Zinc has been consistently working towards safety, protection of environment, conservation of energy & water and building infrastructure. With the aim to be fully self-sufficient in power, Hindustan Zinc has strategically installed state-of-the-art Captive Power Plants at its key business locations, with a total power generation capacity of 474 MW. While last year Chanderiya's Captive Power Plant had won the Silver Award at SNEMA 2016, we are very glad to be awarded with Gold this year."

For its green initiatives, Hindustan Zinc has been ranked 11th globally by Dow Jones Sustainability Index and ranked 3rd globally in environmental dimension, in Mining & Metal Industry Group. Hindustan Zinc was also the only Indian mining company to appear in Global Sustainability Yearbook 2018.
