

Excellent performance of students of Resonance Udaipur

Udaipur: The result of the first phase of the International Earth Science Olympiad (IESO) examination organized by the Geological Society of India, India was announced on February 14. Anju Chaudhary, a regular student of Resonance Udaipur Study Center, has ranked first place at the national level and illuminated the name of the state and the institute. Of the total 38 students selected from across the country, 11 are resonance students. It includes Anshul Chaudhary (Rank -1), Tista Solanki (Rank-12), Bhavesh Malviya (Rank -18), Uddhav Jain (Rank -21), Himank Bohra (Rank-31) and Saket Agarwal (Rank-31) in

Udaipur

Similarly, the result of the first phase of the National Talent Search Examination was declared, in which the Komal Gupta of Resonance Udaipur Center got the first position at the state level. Of the total 24 students selected from Udaipur district, 22 are resonance, which is 92 percent of the total result. In the general category, 2 students have got a place in the top 10. Komal Gupta received Rank-1 and Deep Bolla -Rank-10.

In the scheduled caste category, Dhruv Viramal has received Rank-5. In the press conference held on Friday, Vice President

of Resonance, AYUSH Goyal advised the children not to be very enthusiastic about success and do not get too disturbed on failure. Even the enthusiasts sometimes go astray and the unsuccessful, sometimes also takes immoral steps because of tension, whereas this is the beginning of life and success has to be faced with failure in life. Many times even after hard work, children do not get success but this should not make them understand that their life has ended. Discussing the steps taken by children to take steps such as suicides due to the pressure of coaching institutions, he said that this is a wrong fact, it has been denigrated to coaching institutions, while there are many types of pressure on children in which the expectations and aspirations of their families are there.

Anshul Chaudhary and Komal Gupta, attributing their success to their parents and gurus, said that if you are a regular student of the classroom and work hard then it is not a difficult task to become a topper. On this occasion, gentle parents were also present. Managing Director R. Verma greeted the students with excellence for the best performance and greeted them in advance for the next phase and said that all the selected students will participate in the three-week camp in Bangalore for the second phase organized by the Geological Society of India, At the end of which 4 students will be selected who represent the country in South Korea. He told that Anshul Chaudhary, Bhavesh Malviya, Uddhav Jain, and Saket Agarwal are regular students of Class 6 from Resonance Udaipur and have been successful in participating in all the competitive examinations. For many years, resonance students of Udaipur are achieving success by not only performing their outstanding performance in IESO but in other competitive examinations. In the last phase of last year's student Vaibhav Khatri (IESO), he had won silver medal by representing the country internationally.

Udaipur Study Center head Nitin Sohane, Center Manager Arun Shrivastava, Junior Division Head Shubham Galav, Anil Gautam, Prashant Choual, Sana Anjum, Mohammad Sameer, Chandresh Jain, Accounts Gupta, Priyanka Patil were also present in the press.

SANSKAR WILL CHANGE, THE WORLD WILL CHANGE: SHIVANI DIDI

Udaipur: Shivnani Didi, world-renowned spokesperson of o Brahma Kumari World Spiritual University served the sample flat on archi galaxy Udaipur in front of Debari Power House of the Tuesday evening. Shivani Didi spread good wishes with positive vibration, told a large number of people present that if the rites change, then the world will change. We have to change our sacrament to make our home heaven. If the rites will change then there will also be peace and purity in the house.

Rishabh Bhanavat and Sanjay Bhatia of the Archi group said that in their spiritual message, Shivani Didi said that every moment should be remembered in the memory of God. We have to bring peace in the world by spreading the vibration of divine pleasure and peace all around.

wisdom and power. Earlier, Dungan Singh Kothari, Shailesh Saruparia, Himanshu Chaudhary, Lokesh Malara, Sambhav Banthia, Rajiv Jain, Sheetal Bhanavat, Mahavir Bhanavat etc. welcomed Shivani Didi at her arrival.

Shivani Didi said that things of rest in Kalyug have also become a cause of sadness like the phone. The phone was meant to give comfort, but many people are unhappy with it. In this way, the work that we are doing should be an integer clear. If you start any new work, it is, first of all, to put forth the best resolution of God's memory. Many times we say that as soon as the work begins, there are obstacles in it, we pray that the distraction will be removed, but the work that is starting from the beginning of the divine and the people's duality, the obstacles cannot come. You are out of the house or in business or do any work. First of all, resolve that the powers of God are filled in every work I do. The work done by the energy of God's memory is successful because every work is a good job in it.

Didi said, meditation taxes. While working on the move with his power, keep the power of remembering the divine. If we remember God, then his power will come in and inside us. Our work will be immovable and successful. While working, the emotions, anxiety, fear, etc. status of our mind are revealed. We have to pay attention to resolutions. Didi said, the method is correct and correct and success sure. On this occasion, BK Rita Didi of Udaipur Brahmakumari Center and BK Vijalakshmi Didi also blessed.

It is notable that the 'Archie Group' has brought the 620 flat for the LIG and ELBs class in Debari. The work of 'Archie Galaxy Township', known as 'game changer' in the world of construction, has started just 50 meters away from the highway in front of the powerhouse. The airport is only 10 kilometers, 10 minutes away from Township. Here, for the Lower Income Group (LIG) 420 and for the Economic Vector Section (EWS), 200 flats are being offered.

CENSORSHIP FOR MEDIA IS ESSENTIAL IN THE PRESENT SCENARIO SYMPOSIUM ORGANIZED

Hindustan Zinc receives 'Project Development Innovation of the Year Award'

Udaipur: Hindustan Zinc received the Project Development Innovation of the Year Award at the 9th Annual Edition of RE-ASSETS INDIA 2019 Conference-Expo-Award for 22 MW Agucha Solar Project in a glittering function held in Delhi on 7th February 2019. The award was presented by Mr. Sohail Akhtar - Advisor of Ministry of New and Renewable Energy and Mr. O.P. Taneja - Associate Director of Indian Wind Turbine Manufacturers Association. On behalf of Hindustan Zinc the Award was received by Mr. Vishnu Khandelwal, Dy. Manager (Renewable Power Projects).

This project has been installed on the Waste Dump Yard at Agucha which cannot be used either for any plantation or for any major structure as its load bearing capacity and height of waste dump does not permit the same.

Hindustan Zinc took this challenge as partner to M/s Mahindra Sustain and proposed an innovative design engineering to utilise the Waste Dump Yard area for the special cause to save environment by installing successfully a 22 MW massive power plant with zero emissions. This included various level of in-depth engineering expertise in the field of civil engineering which was coupled with solar technical expertise. This project activity will also help us to reduce the carbon emission reduction of 45,000 tCO2e per annum.
