## Success isn't an accident, comes after immense hard work

Success isn't an accident. It comes after immense hard work, perseverance, sacrificing, studying and most importantly loving what you do. This year Wavelength Academy has presented to Udaipur a milestone no one has ever achieved. After constant preparation for about two years wavelength academy has present school toppers of 6 widely known schools. After constant efforts of the talented and hard working teachers of the institution, several students of 2019-20 batch have scored more than 90 percent in CBSE class 12th board examinations.

Priyasi Humad of Seedling Modern Public School (city rank 2nd) scored a prestige 98.7 percent. She owes this achievement to her teachers at the Wavelength Academy.

Zahra Abizer (DPS

school topper), Sakina, Aryan Singh, Tehreem Siddiqui, Nasir Chakkiwala among many others of Delhi Public School shine brightly with outstanding performance. Ishika Shrimali (The Study School topper), Shourya Mehta (GD Goenka), Anushka Sharma (MDS Sr. Secondary School topper), Alaqmar and Rajveer Singh Kacchawa of Seedling have shown brilliant performance in the Boards examinations. Wavelength Academy continues to deliver this success since last twenty years.

Now conjointly with a faculty of talented, experienced and hard working teachers, the institution brings to Udaipur a special school integrated programme apart from the regular on going classes for 11th, 12th, IIT-JEE and NEET and occasional crash courses of other optional sub-

jects depending on student requests. The faculty includes of Dr. Mukesh Shrimali (Physics, PhD), Dr. Kishore Sharma (Chemistry, PhD), Mr. Aayush Tak (mathematics) and Ms. Priyanka Sharma (English). Wavelength Academy has continued its classes online during the pandemic with a brilliant system of Online Classes, Worksheets, Notes and Regular Tests through their website knowledgeuniverseonline.com. It kept on moving forward even with the extended time period for Engineering and Medical entrance examinations promising a proper path for students to study in the extra time given efficiently.

With the support of all students and parents, the institution has blossomed into an epitome of success.

## Dr. HARSH VARDHAN APPRECIATES SIGNIFICANT CONTRIBUTION OF ROTARY INTERNATIONAL

**New Delhi:** Union Health and Family Welfare Minister, Dr. Harsh Vardhan has appreciated the significant and liberal contribution of Rotary International in India's Polio eradication movement and our fight against Covid-19. While presiding over the virtual installation ceremony of Dr. Ganesh Mani as the new President, Rotary Club, Delhi Central late last evening, Dr. Harsh Vardhan felt nostalgic about his association with the Rotary since 1994.

Union Minister congratulated Dr. Ganesh Mani on taking over a most adorable assignment and described him a noble personality who has been working for the helping the needy and vulnerable patients. Dr. Harsh Vardhan said, "I still remember the wholehearted contribution of the Rotary International in the success of Polio eradication movement. Rotary volunteers came to help us when we planned and dreamt about Polio eradication and we were plagued by plague before 2nd October 1994. All the Rotarians got up early to reach in their own vehicles at the Regional Vaccine Stores to collect vaccine carriers of Polio drops at -20 degree Celsius and delivered the same at 4000 polio booths across the city. He stated that Rotarians also contributed a huge amount of one billion dollars for eradication of Polio from the whole world. Our beloved Prime Minister, Dr Harsh Vardhan also expressed his gratitude toward Rotarians for their contributions worth Rs. 200 crore in India's fight against Covid-19 by making a donation and providing Covid related equipment. Dr. Harsh Vardhan also lauded contribution of Rotarians in water and sanitation related activities in schools, supporting Thalassaemia affected children and adults through Rotary blood banks and in prevention and management of cancer.

Union Minister expressed confidence that Dr. Mani will be able to inspire all Rotarians in philanthropic activities especially during his tenure as President. Dr. Mani was bestowed upon Padmashri in 2013 in recognition of 20,000 Cardiac Surgeries in India. He also performed around 100 free heart surgeries for poor children under Gift of Life Mission of Rotary. The immediate past President Mr. Kuljit S Polpi, Mr. Sanjay Agarwal, Mr. Vineet Sood, Ms. Padmini Parmeswaran, Mr. Mohit Luthra and other eminent Rotarians were present in the ceremony.

## Prof. Amreek Singh appointed VC of MLSU

**Udaipur:** Deliberations on appointment of the Vice Chancellor of Mohanlal Sukhadia University finally came to an end in the late hours of 20 July, when Professor Amreek Singh from Lucknow was appointed to the coveted post.

Governor of Rajasthan and de facto Chancellor of Mohanlal Sukhadia University, Kalraj Mishra, on 20 July appointed Prof Amreek Singh, an outsider to the post of Vice Chancellor of Mohanlal Sukhadia University and gave the charge of Vice Chancellor of Banswara's Govind Guru Tribal University to Professor IV Trivedi, the outgoing VC of MLSU.

Interestingly, none of the local aspirants were considered for the post of VC. Of the 248 aspiring candidates, the names of Professor Amreek Singh, Prof. Sarangdevot (VC of Janardhan Rai Nagar University) and Professor KL Srivastava were the leading names in the panel. Sarangdevot and IV Trivedi were also included in the panel with Prof Amreek Singh for contention for the Banswara university.

## AS PRIYASI TOLD ....

"You simply have to put one foot in front of the other and keep going"  
My name is priyasi humad from seedling modern public school, udaipur. I've scored 97.8% in 12th cbse (stream-pcb). The credit to my success goes to my parents Mr. Shalesh Humad and Mrs. Surekha Humad. My mother has constantly inspired me to give my best in each and every phase of life, be it studies, dance, debate, poetry, martial arts, basket ball or anything. My father is my pillar of strength and self confidence. He has always supported me and guided me as a friend. I would like to thank my brother Kirtan for always helping and supporting me. I would like to thank the seedling fraternity, Mr. Hardeep Bakshi sir, Mrs. Monita Mam, principle Mrs. Keerti Maken mam, Shikha mam for always lending a helping hand to me. I would like to thank Prerna mam, Zehra mam, Mukesh sir, meenal mam and Shashikant Sir who've helped in in all possible ways. A special thanks to Dr. Mukesh Shrimali Sir, Rajnish Sir and most respected Dr. G.P. Bisariya sir who have always been there to help me. This could not have been possible without them.

hindi poetry, listen to music, dance with my siblings and go to walk with my mother. At present I'm preparing for NEET. I want to become a successful doctor, this is my parent's dream which I wish to fulfill.
