Grand Patriotic Celebration@ RIS

Udaipur: Ryan International School, Udaipur celebrated 74th Independence Day with great enthusiasm & fervor.

The day commenced with the unfurling of the national flag by the guest of the day Smt. Rajni Dangi and the ASP of Udaipur Smt. Swati Sharma which was followed by singing the National Anthem & administering the National Pledge for the country.

Amidst melodious patriotic songs it was indeed a unique experience for all the Ryanites to witness and become a part of the celebration through the virtual platform which was captured & showcased live, which uniting each one with the same feeling of patriotism & salute to our country.

The guest in his speech congratulated everyone on Independence Day and encouraged everyone, to live with a mind & spirit of joy, love and respect for our country and to do good for entire mankind.

The Head of the school in her address reiterated the importance of the day and asked students to value it in their thoughts and action.

The school also celebrated patriotic week from 10th to 14th August, wherein students from Montessori to Std. XII got the chance to participate in various online activities & competitions.

The school wishes every Indian a very Happy Independence Day. Let's altogether salute our great nation on its grand 74th Independence Day!
Jai Hind !!

PM Modi launches National Digital Health Mission

P rime Minister Narendra Modi has launched the National Digital Health Mission (NDHM). Every Indian will have an Aadhar like ID card containing all relevant information about his/her medical conditions and treatments and tests. Addressing the nation from the ramparts of the Red Fort on Independence Day, Mr Modi said that the

initiative which is completely technology based will revolutionise the health sector in India.

The vision of National Digital Health Mission is to create a national digital health ecosystem which provides timely and efficient access to inclusive, affordable, and safe healthcare to all citizens.

It is Responsibility of All of us to Strengthen Democracy : CM

Jaipur: Chief Minister Shri Ashok Gehlot said that many challenges came before the country after it achieved independence and it kept moving ahead facing all these challenges as it had very strong roots of democracy. He said that the great leaders like Mahatma Gandhi, Pt. Nehru, Sardar Patel, Dr Ambedkar and Maulana Azad strengthened this democracy. Governments kept coming and going, but democracy continued in the country. "Today, it is responsibility of all of us to keep this democracy strong. The country will survive only if democracy is safe," he said.

Shri Gehlot was addressing the State-level function at Sawai Man Singh Stadium in Jaipur on the occasion of 74th Independence Day on Saturday. After hoisting the national flag during the event, the CM also inspected the parade.

The Chief Minister said that when the country got freedom it had a lack of basic facilities such as electricity, water, road, health and edu-

cation. Pt. Jawaharlal Nehru, the first Prime Minister of the country, with his farsightedness, laid very strong foundation to make India self-dependent. He built big dams and set up many factories to give pace to industrial development. High-level institutions such as AIIMS, ISRO, IIT etc were established.

Reputation of India rose because of the policies and vision of the visionary leaders such as Smt. Indira Gandhi, Shri Rajiv Gandhi and Dr. Manmohan Singh and our country had reached this stage of development, he added.

Shri Gehlot said, "The people of different religions, sects and castes live in this country. Different languages are spoken.

Despite much diversity, our leaders kept this country united and undivided by respecting all religions and practicing socialism and secularism." Adopting these basic principles of equality and integrity, the countrymen gave a befitting reply to the forces trying to spread hatred in the name of religion and caste and

ensured that the peace prevailed in the society, he added.

The Chief Minister said that the rights-based era of governance started in the country at the time of the UPA government. The people of the country got Food Security, Right to Information, Education and Employment through various Acts such as the MGNREGA. Late Shri Rajiv Gandhi brought the Information Technology revolution in the country as a result of which these days we could see a mobile phone in every hand and people receive and share information in the entire country and the world while sitting home. All important public services are being provided in villages through Rajiv Gandhi Seva Kendras using the IT.

Shri Gehlot said that Rajasthan has provided relief to the general public through excellent management during this period of COVID-19. It has been the result of vigilance, alertness and support of the people that Rajasthan is in better position in different parameters in fight against corona virus spread. The Government left no stone unturned to provide relief to the needy sections. The state government had spent Rs. 6000 crore to give support to the poor, helpless, destitutes and needy families during the tough time of corona pandemic.

On this occasion, the CM remembered martyrs, freedom fighters and brave soldiers of the country, who laid their lives protecting the nation and said that their sacrifice would never be forgotten.

During the event, the Army and the Central

Police Bands and the folk artists gave performances. Anganwari workers, Nursing staff, Doctors, Sanitation workers and Policemen, who fought as corona warriors sang the song 'Hum Honge Kamyab'. The function concluded with the National Anthem. Members of the State Council of Ministers, MLAs, other public representatives, officers, employees and other eminent people were present in the programme.

Indefinite lockdown imposed in Rajsamand-Nathdwara

As the number of cases in the upcountry areas of Udaipur division rise exponentially, the District Collector of Rajsamand has imposed a lockdown across the entire Nathdwara - Rajsamand district.

This lockdown will be in effect from 11am on 15 August. Section 144 will be imposed in the entire district encompassing Nathdwara and Rajsamand. The entire district has been declared a containment zone. The number of cases at the time of publishing this post is 827. The positive cases have more than doubled in the last 30 days.

Effective 11 am on 15 August, all rules and regulations as mentioned in the directives issued by the Ministry of Home and Ministry of Health and Family Affairs of the Government of India will be applicable.

Emergency medical services and essential services will be permitted as per the protocol. The sub divisional magistrates in the district will define the services that will be allowed and the functioning procedures of these services.

Independence Day 2020: celebrated with simplicity

Divisional Commissioner Vikas Bhale hoisted the national flag

Independence Day celebrated with enthusiasm and simplicity on Saturday at Gandhi Ground at Udaipur, Udaipur. On this occasion, Chief Guest Divisional Commissioner Vikas S. Bhale, spear hoisted the national flag. After this, the chief guest inspected a parade consisting of two platoons of police and home guards. On this occasion, Additional District Collector (Administration) OP Bunkar read the message of His Excellency the Governor. The program ended with a national anthem performed by local teachers. Municipal Corporation Mayor Govind Singh Tank, Inspector General of Police Smt. Vinita Thakur, District Collector Chetan Deora, District Superintendent of Police Kailash Vishnoi, Municipal Corporation Commissioner Kamar Chaudhary, District Council CEO Dr. Manju, Girwa SDM Dr. Soumya Jha, Additional District Collector Sanjay Kumar (city) and OP Bunkar (administration), Principal social workers including officers of different departments and police officers were present. Rajendra Sen and Smt conducted the program. Ragini Panneri, announcers of All India Radio. A special block was constructed for the Corona Warriors of Udaipur district at the ceremony's venue on behalf of the district administration, which was decorated beautifully, and a banner was put up to them. In this block,

the person who served as Corona Warriors of Medical, Police, Women and Child Development Department, Ayurveda Municipal Corporation and other related departments were honored by the district administration, and the present guests and departmental officers-employees present made a loud sound. With thanks.

Corona Protocol Cradle: In keeping with the Corona epidemic, the Corona Protocol was fully implemented at the main event. Special attention was taken to a social distance in the meeting system. There was a prescribed distance between the sofa set for the guests and the chairs for the other officers and visitors. Also, everyone was wearing a mask.

Flag hoisting in different offices : On the occasion of Independence Day, Divisional Commissioner, Development S. Bhale at Divisional Commissioner Residence and Office, District Collector Chetan Deora at District Collector Residence and Office and Dr. Kamlesh Sharma, Deputy Director in Information and Public Relations Office hoisted the national flag.
