## By-Elections in two assembly seats of Udaipur division of southern Rajasthan

### Congress's upper hand in Vallabhnagar and BJP's hope of victory in Dhariyavad

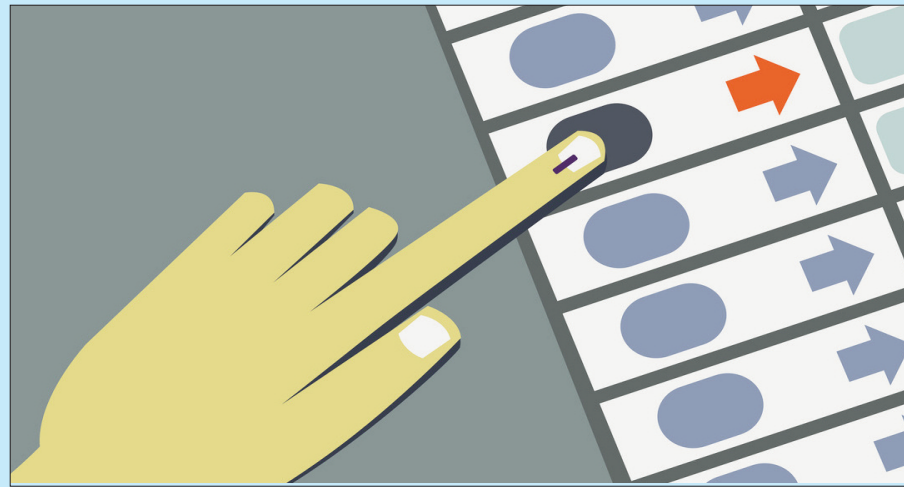

**New Delhi:** The prestige of both the ruling Congress and the opposition BJP in the state is at stake in the by-elections being held in Vallabhnagar and Dhariyavad assembly seats in the Udaipur division of southern Rajasthan. Polling is to be held on these seats on October 30. The election results will be declared on November 2.

In these elections being held in the Mewar region of Rajasthan, the Congress is showing a heavy edge in Vallabhnagar, while in Dhariyavad, the BJP seems to have some hope. The Vallabhnagar general seat is dominated by Meena, Rajput, and Brahmin votes, and the Dhariyavad seat reserved for the Scheduled Tribes is dominated by tribal voters.

Nine candidates from the Vallabhnagar assembly seat are Udailal Dangi of RLP, Preeti Shaktawat of Congress, Himmat Singh Jhala of BJP,

Suksampat Bagri of BJP besides independents Gajendra, Narendra Chaudhary, Bherulal Kalbelia, Randhir Singh Bhinder, and Vijay Kumar Virwal. In the same Dhariyavad assembly seat, seven candidates are Khet Singh Meena of BJP, Nagaraj Meena of Congress, Ganesh Lal Meena of BJP, Pooranmal of CPIM, Ram Singh Meena of Bahujan Mukti Party including independent Kailash and Thawarchandare contesting quadrangular contest in Vallabh Nagar seat

Nine candidates are in the fray for the Vallabhnagar seat of Udaipur district, but the main contest is between four candidates. This seat has been vacated by the death of Gajendra Singh Shaktawat, the younger son of the late Gulab Singh Shaktawat, who was a strong leader in Mewar for four decades of Congress and several times minister. There are a total of nine candidates in the fray and Congress, BJP, RLP, and Janata Sena are trying to outdo each other in a quadrangular contest. Here Preeti Kunwar Shaktawat, wife of late Congress MLA Gajendra Singh Shaktawat, BJP's Himmat Singh Jhala, Janata Sena's Randhir Singh Bhinder, and c

Udailal Dangi contested on BJP ticket in the 2018 assembly elections and now MP Hanuman Beniwal's party became candidate from RLP. By the way, BJP's Sukh Sampat Bagri, independent Gajendra, Narendra, Bherulal Kalbelia, and Vijay Kumar are also trying their luck in the electoral fray. No significant effect of BJP in Vallabhnagar is visible in this election ground.

The Congress here wants to take advantage of the sympathy wave in the name of its late MLA Gajendra Singh Shaktawat, wife of late Congress MLA Gajendra Singh Shaktawat, BJP's Himmat Singh Jhala, Janata Sena's Randhir Singh Bhinder, and c

who contested the election on BJP ticket in 2018, was third in the assembly as well as Randhir Singh Bhinder of Janata Sena who was fiercely opposed to Leader of Opposition in the Assembly Gulab Chand Kataria, may harm BJP. Thus the path of BJP is not easy in this seat as there is a contest between candidates of four parties in Vallabhnagar which is a very tough struggle.

Congress's trouble is also not working. The party has given the ticket to Gajendra's wife Preeti Kanwar in his place, ignoring the ticket claim of Devendra Singh, elder brother of late MLA Gajendra Singh. That's why Devendra Singh is

engaged in an election campaign with so much heart? It is interesting to watch. Devendra Singh himself wanted to inherit the legacy of his father and Congress veteran late Gulab Singh Shaktawat, but the party has given preference to his younger brother's wife. That is why the Congress has named Devendra Singh Shaktawat, the district level assembly-wise election committees in Udaipur for both Vallabhnagar and Dhariyavad assembly elections, and he has been made a member of the district level election steering committee. It is difficult to say in whose favor the result will go. Here the BJP along with its

rebel Udailal Dangi has contested the 2018 assembly elections on a BJP ticket. Now RLP candidate Udai Lal Dangi's path does not look easy in the four-cornered struggle going on in Vallabhnagar. The party now has to take on the candidates of Janata Sena and Congress along with Udai Lal Dangi here. The Leader of the Opposition, Gulab Chand Kataria, seems to have accepted this and started paying more attention to the Dhariyavad seat. Janta Sena leader Mangi Lal Joshi claims that two-time MLA here and Randhir Singh Bhinder, who has won civic elections, is in high spirits, so Vijayshree will choose him. However, political pundits assess that here the Congress can get the benefit of being in power in the state. Apart from Rajputs and Brahmins, voters of other castes are also not less in Vallabh Nagar.

BJP hopes in Dhariyavad In Mewar's Pratapgarh district, seven candidates are in the fray for the Dhariyavad Scheduled Tribe seat, in which Congress has fielded its old leader, former MLA Nagraj Meena, while the BJP has fielded a new candidate Khet Singh Meena.

Kanhaiya Lal Meena, son

of late MLA Gautam Lal Meena in Dhariyavad, had filed the election as a rebel candidate of the BJP, but later he withdrew from the electoral fray in favor of party candidate Khet Singh and the party also gave Kanhaiya Lal the post of a state minister.

At the same time, the BJP would have to bear the brunt of this. In such a situation, it can be said that in the Dhariyavad by-election, the Bharatiya Janata Party has felt great relief from the withdrawal of rebel Kanhaiyalal Meena from the electoral fray and the BJP is hoping to retain the seat of Dhariyavad. Here both the parties have breathed a sigh of relief even after the rejection of the nomination of the declared candidate of BJP Thawarchand Meena. BJP's dummy candidate is also not showing any special effect in the election field Ganesh Lal Meena. BJP is seeing some hope of its victory in this seat and Leader of Opposition Gulab Chand Kataria is campaigning loudly here.

The election campaign is at its peak in both the assembly seats and on behalf of the Congress, Chief Minister Ashok Gehlot, former Deputy Chief Minister Sachin Pilot, State President Govind Singh

Dotasra and Vallabh Nagar in-charge Transport Minister Pratap Singh Khachariawas, Dhariyavad in-charge Sports Minister Ashok Chandna and Tribal Regional Development Minister Arjun Bamnia, Former minister Mahendrajit Malvia and CWC member Raghuveer Singh Meena and BJP state president Satish Poonia, opposition leader Gulab Chand Kataria, deputy leader Rajendra Rathore along with Union Minister of State Arjun Ram Meghwal, MP from Chittorgarh CP Joshi, Rajasmand MP Diya Kumari and BJP MLA There have been election meetings of Chandrabhan Singh Akya, former MLA Sushil Kataria, etc.

These by-elections will test the political future of Chief Minister Ashok Gehlot and other stalwarts of Congress party and Leader of Opposition in the Assembly Gulab Chand Kataria and BJP State President Dr. Satish Poonia and the hold of both the parties on tribal votes.

Under the by-election, 5 lakh 11 thousand 455 voters will elect new MLAs by using their franchise in the Vallabhnagar and Dhariyavad assemblies on October 30.

## Modi launched PM Ayushman Bharat Health Infrastructure Mission

**New Delhi:** Prime Minister Shri Narendra Modi launched PM Ayushman Bharat Health Infrastructure Mission. He also inaugurated various development projects worth around Rs 5200 crore for Varanasi. Governor and Chief Minister of Uttar Pradesh, Union Ministers, Dr Mansukh Mandaviya, Dr Mahendra Nath Pandey, State Ministers and people's representatives were among those present on the occasion. Addressing the gathering, the Prime Minister said the country has achieved a

major milestone of 100 crore vaccine doses in its fight against the corona epidemic. "With the blessings of Baba Vishwanath, with the unwavering glory of Maa Ganga, with the unshakable faith of the people of Kashi, the campaign of free vaccine for all is progressing successfully", the Prime Minister said. The Prime Minister lamented that in post-independent India, health infrastructure did not get the required attention for a very long time and citizens had to run from pillar to post for prop-

er treatment, leading to worsening of the condition and financial strain. This led to a persistent worry about medical treatment in the hearts of the middle class and poor people. Those whose governments remained in the country for a long time, instead of the all-around development of the country's healthcare system, kept it deprived of facilities.

The Prime Minister said that PM Ayushman Bharat Health Infrastructure Mission aims to tackle this deficiency.

The aim is to strengthen the critical healthcare network from village to block to the district to the regional and national level in the next 4-5 years. Describing the initiative taken by the government under the new Mission, the Prime Minister said that there are 3 major aspects of the Ayushman Bharat Health Infrastructure Mission to address the different gaps in the health sector of the country. The first is related to the creation of elaborate facilities for diagnostics and treatment.

Under this, Health and Wellness Centers are being opened in villages and cities, where there will be facilities for early detection of diseases. Facilities like free medical consultation, free tests, free med-

icine will be available in these centres. For serious illness, 35 thousand new critical care-related beds are being added in 600 districts and referral facilities will be given in 125 districts.

### Craftsman Chandra Prakash Chittora rolled 152 feet long

**Udaipur:** In the order of the 150th birth anniversary of the Father of the Nation Mahatma Gandhi and the Amrit Festival of the country's independence, Chandra Prakash Chittora, the architect of small booklets, has made a 152 feet long roll. Which was released by the Vice-Chancellor of Rajasthan Vidhyapeeth Janardan Rai Nagar University, Prof. S-S- Sarangdevot. He also presented Chittora with the Global Talent Award - 2021 recently issued by Rajesh Yadav CEO@FOUNDER of International Quality Book of Records. In the released roll, the life philosophy of Mahatma Gandhi and the history of the national movement has been illustrated. Senior officers of the Vidhya peeth were present on the occasion.

### suffering from a serious stone ailment, got successful treatment at Geetanjali Hospital

**Udaipur:** The Urology Department of Geetanjali Medical College and Hospital, Udaipur is equipped with all world-class facilities. Here patients are being given new life by performing complex treatment and operations continuously. Due to the tireless efforts of Urologist Dr. Vishwas Baheti, Dr. Pankaj Trivedi, and their team, the patient, a resident of Dungarpur, was successfully treated and given a new life.

Dr. Vishwas told that a 45-year-old patient from Dungarpur came to Geetanjali Hospital due to pain and fever in the armpit, she was admitted and given antibiotic injections to control the

infection. The patient's increased blood sugar was controlled with the help of Endocrinologist Dr. Omkar Wagh. Patient's CT On examination, it was found that she had large stones in the left kidney tube (ureter), due to the large size of the stone, it was not possible to perform laparoscopic surgery for the patient, so open surgery was planned for the patient. During the surgery it was found that the ureter of the patient was almost filled with many stones, all the stones were taken out. The total measure of all the stones was about 17 cm. The patient's kidney was bleeding, which was cleaned and the ureter was closed with DJ stenting. The patient is still healthy after the operation, he has been discharged after 5 days of the operation. The patient told that she was suffering for the last 3 years and she was unable to bear the expenses, in such situation it came to know that the patient was treated under the Chief Minister Chiranjeevi Health Insurance Scheme in Geetanjali Hospital, she is now completely healthy and was given to her by the hospital. leave has been granted.

### International level Center of Excellence in Jainism and Prakrit language to be built in MLSU

**Udaipur:** The Department of Jainology and Prakrit of Mohanlal Sukhadia University is being developed into a Center of Excellence of international standard

To promote Jainism and Prakrit language, the University has started a massive effort. Under this, a meeting of Vice-Chancellor and Professors was organized with Shri Shantilal Velawat, President of Sakal Digambar Jain Samaj of Udaipur. A day earlier, in the Prakrit Promotion Seminar organized under the aegis of Sakal Digambar Jain Samaj and Jain Vidhya and Prakrit Department Mohanlal Sukhadia University at Shri Adinath Bhawan, Vice-Chancellor Professor Amarika Singh spoke about the promotion of Jainology and Prakrit language and the future in the light of the new national education policy. Keeping in mind the plan of the university, he was announced for the construction of the building. 30,000 square feet of land will be given. A memorandum was submitted to the Vice-Chancellor by the President of Sakal Digambar Jain Samaj,

Shantilal Velawat, and other office bearers, in which it was said that if the land would be allotted to them in the university, they would build a grand campus for the overall development plan and plan. In that regard Vice-Chancellor Professor Amarika Singh Prof. Neeraj Sharma and Prof. S.K. Kataria and Sakal Digambar Jain Samaj President Shantilal Velawat held a meeting and discussed the outline of the Center of Excellence. During the meeting, the Vice-Chancellor proposed to set up an academic complex with Manuscript Museum, Seminar Hall, Classroom, Teacher's Room, and other requisite facilities along with Manuscript Preservation and Resource Center at MLSU under Center of Excellence of Department of Jainism and Prakrit.

All efforts will be made for this center to become the country's best institute for Jain Vidhya tradition and Prakrit language under the Indian Vidya Faculty of Mohanlal Sukhadia University. The Vice-Chancellor said that soon an expert advisory committee would be constituted in coordination with Sakal Sakal Digambar Jain Samaj of Udaipur

### Dr. Arvinder appointed as International Brand Ambassador

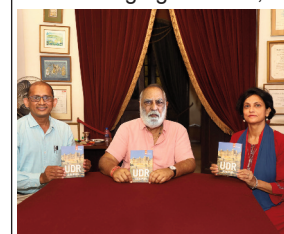

**Udaipur:** Arth Group CEO Dr. Arvinder Singh has been appointed as International Brand Ambassador by Calista Brand of South Korea for cutting edge technology to reduce fat and obesity and achieve desired body shape through completely safe laser without surgery.

To disseminate the science of this technology, Dr. Singh will visit various scientific and doctors' forums of the country and abroad and share research papers. With this technology, laser waves of 1060 nanometers can be removed from unwanted body fat like thighs hips, etc. in a completely safe way. This technique uses special waves to melt the fat, which only removes the fat from the body. Dr. Singh told that even if you want to get rid of belly fat or slightly protruding belly or double chin, it helps get the desired figure through this technique.

### Book launch 'UDR-Udaipur Architectural Travel Guide

**Udaipur:** Shri Arvind Singh Mewar of Udaipur, Chairman and Managing Trustee, Maharana of Mewar Charitable

Foundation unveiled the book titled 'UDR - A Living Heritage Guide' authored by Dr. Shikha Jain and Dr. Mayank Gupta. Published by Altrim Publishers, supported by Maharana Mewar Historical Publications Trust, a unit of Maharana of Mewar Charitable Foundation (MMCF),

The City Palace, Udaipur.

Udaipur is a 16th-century historic city founded as the capital of erstwhile Mewar kingdom by Maharana Udai Singh II. Set in a basin within a network of lakes Udaipur is one of the most picturesque cultural landscapes in the state. The city of Udaipur is strategically located amidst a saucer-shaped basin, surrounded by hills of Aravali Range on all sides; hence the entire city area serves as a good catchment that has facilitated the network of lakes in the city. Formed out of multiple layers of historic fabric, rituals, local crafts, and folk arts- this city is a little piece of paradise set in eastern Rajasthan. The living cultural heritage of Udaipur is extraordinary, surprising, and overwhelming you at each step.

**About the book** - This guide book on Udaipur will introduce the visitor to the entire range of resplendent art of Mewar and architecture of the city. It covers architectural marvels from across various historical periods, architectural typologies, and artistic styles. The book is divided into two main sections. The first section of the book covers landmarks from the founding of the city, its evolution and growth from the 16th to the 21st century.

It also contains an overview of its heritage (tangible and intangible) including lakes and step wells, gates and city walls, forts and palaces, havelis, temples, public buildings, memorials, historic gardens, and various crafts clusters within the city. The second section of the book focuses on six special itineraries. These itineraries are designed to focus on experiencing the living heritage of Udaipur. Together, the city overview and itineraries are designed to offer an experience of the entire spectrum of crafts and festivals, centuries of historic layers of the urban fabric, iconic monuments and museums, gardens, water bodies and lakes that constitute the Living Heritage of Udaipur.

**About the Authors** - Architect Dr. Shikha Jain has an extensive portfolio on cultural heritage of India that covers Conservation, World Heritage and Museum Planning projects such as the City Palace Museum at Udaipur, largely realised through her organisation DRONAH.

Dr. Mayank Gupta, born, brought-up and educated in his hometown Udaipur. He has been working with Maharana of Mewar Charitable Foundation since 2003. He has orchestrated and has been an active participant across an array of successful projects like the conservation master plan of The City Palace Museum funded by The Getty Foundation, USA; UNESCO India Office led joint co-operation programme with the City of Strasbourg, France; grant from Ministry of Culture, Government of India. Dr. Gupta is also the Convener of Maharana Mewar Foundation Annual Awards Distribution Ceremony since 2008.
