

Digital networking in educational institutions is the need of the day: Dr. Narendra Singh Rathore

Udaipur: Maharana Pratap University of Agriculture and Technology Udaipur's constituent community and applied science college a two-day faculty development program "Knowledge Management in Networked Digital Environment" was inaugurated, in which 30 teachers of the college actively participated. Chief Guest of the program, Vice-Chancellor Dr. Narendra Singh Rathore, said special emphasis had been laid on customized mixed collaborative knowledge in the new education policy, which is possible only through digital networking.

He said that the library is

an essential part of any educational institution. There is a unit that should be established as a global information center.

He called upon the teachers to explore the educational material available in the library as much as possible, using var-

ious online study apps available on the Internet.

The keynote speaker of the program, Dr. K. Veeranjaneulu, Librarian and Head of the Department, Central Library, National Institute of Technology, Warangal, gave the participants important opportunities like e-resources in agriculture and allied sciences, open access in community science, publication of resource research papers, plagiarism, innovative research techniques. Gave theoretical and practical information on the subjects. The keynote speaker said that libraries go to the user in the modern era and are

available 24x7x365. Nowadays, libraries have turned into knowledge management centers.

Today's educational sector depends on online education and self-learning. Presently the library is marked by many features like automation, open-source software, digitization, e-learning, etc. The Corona era has led to Swayam, Mook, E PG Pathshala, and many other portals in Indian higher education.

At the beginning of the program, the Dean of the college, Dr. Meenu Srivastava, while welcoming the guests, said that in this way, quality teachers, publication of research papers

and various e-platforms available on the Internet like Sera, Krishi Prabha, Krishi Kosh, Aggregate, will be provided to the teachers in this two-day program.

The subject expert will provide detailed information about Ideal etc. This program will also be helpful in library management through data and technology.

The organizing secretary of the program was Dr. Rupal Babel, co-organizing secretary Dr. Dhriti Solanki, convener Dr. Renu Mogra, Dr. Sonu Mehta, Dr. Arpita Jain, and Dr. Sneha Jain. Dr. Renu Mogra proposed a vote of thanks at the end of the program.

The elections of Bhilwara Vardhman graduate resident Jain Shrivak Samiti Ahimsa Bhavan Shastri Nagar were completed with unanimous consent

Bhilwara: Union Minister Kantibhai Lukad said that before the completion of the election process, the names of the office-bearers were invited after presenting the income and expenditure account of the previous year. Family Empowerment Seminar at Mahapragya Vihar

Udaipur: A seminar on Women's Empowerment was organized by Innerwheel Club, Udaipur, as part of International Women's Week at Mahapragya Vihar. President

Smt. Rashmi Pagaria said that a family with women who are strong and well-educated would be capable of that family and society. The women of Innerwheel Club are always at the forefront of doing social work-related work and are ready to make the general awareness.

Asha Kunawat said women are the basis of society; home is the family's pride and the country. While expressing her views, Amita Singhvi said that women have been empowered since time immemorial and will give girls the rite of becoming certified since childhood. PDC Chandraprabha Modi said that women should maintain themselves as the axis of the family while creating an atmosphere of harmony in the House and outside while making themselves tolerant and tolerant.

Dr. Seema Champawat said that while keeping her point, she said that women should become independent and should not become dependent at all. This proverb has to have lied that women are the biggest enemy of women; women should be helpful and contribute their complete in empowering the society and the country. Veena Singhvi said that any nation could walk on the path of progress only when women walk shoulder to shoulder. Bela Jain said that no country could walk on progress unless women were aware, developed, and empowered.

Madhu Sood, while participating in this discussion, said that the responsibility of increasing divorce cases in today's families lies with a woman somewhere; a moth-

er sows the seeds of that san-skar in her daughter so that the family remains united for life. Manju Bordia, expressing her views in this discussion, said that to empower women, attention should also be paid to that section of the society where women are still suffering from things like the dowry system, domestic violence, illiteracy. Anju Maheshwari said that every woman should make herself a responsible citizen so that the family's foundation becomes strong and a strong nation can stand on this strong foundation.
