Organizing seminar and quiz program on the occasion of World TB Day

Udaipur: To make India TB free, on World TB Day, a healthy discussion and quiz program was organized by the Department of Respiratory Diseases, Pacific Medical College, and Hospital on the Prime Minister's call for TB eradication.

The seminar was inaugurated by Dr. MM Mangal, Principal and Controller, Dr. CS Purohit, Head of the Department of Respiratory Diseases, Dr. Sunil Kumar, and Dr. Ashutosh Sindal of DTC Cell.

"Invest to eliminate TB. The main objective of World TB Day (March 24, 2022), based on the theme of "Save Life," aims to provide information about eradicating TB disease to the illiterate population living in remote villages and providing its treatment to them. And promote the elimination of discrimination against TB patients.

On this occasion, Dr.M.M.Mangal said that in this national program like eradicating TB, doctors, every ordinary citizen of the society, voluntary organizations, school and college students, teachers, etc., will have an active and positive role. The country can get rid of this deadly disease like TB.

In this seminar, Dr. Sunil Kumar of the Department of Respiratory Diseases said that two people lose their lives every three minutes in India due to TB. India alone accounts for 26 percent of the total tuberculosis patients globally. In Rajasthan, about 30,000 people die every year from this preventable and treatable disease, about 5 thousand women are forced to leave their homes, and 20 thousand children are deprived of school education. During this, he gave detailed information about the causes and treatment of TB disease.

On this occasion, a quiz competition was organized for the medical students in which the students of the MBBS 2019 batch were the winners. Heads of departments and other faculty members of all the hospital departments should be present on this occasion.

Ten women, including Dr. Varsha Sharma, were awarded Vipra Foundation's Tejaswini Award

National session of Shri Bharatvarsha Digambar Jain Mahasabha concludes

Udaipur: The national convention of Shri Bharatvarsha Digambar Jain Mahasabha was held at Human Samaj Bhawan. The convention was presided over by the National President of the General Assembly, Gajraj Gangwal of Delhi. At the same time, the Chief Guest was General Secretary of the Mahasabha, Prakashchandra Barjatya of Chennai and the special guest was Rameshchandra Tijaria, Jaipur, the National Working President of the Mahasabha, Jaipur.

At the beginning of the convention, the invocation was

done by Seema Champawat. The lighting of the lamp and the portrait of Acharya Shantisagar Ji Maharaj were unveiled by the guests on stage.

On this occasion, the National President of the Mahasabha, Gangwal, said

that no student of Jain society should not be deprived due to a lack of money for education. He said that every poor family in the Jain community would be given financial assistance of twenty thousand rupees to start a business without any interest. He also said that

efforts would be made for Jain unity. For this, the Mahasabha will extend all possible cooperation to them.

National Senior Vice President Sunderlal Dagaria said that by connecting all the temples with the Mahasabha, such efforts would be made to run Jain schools in all the temples. National Vice President Rajesh B. Shah said that more and more members of the Mahasabha should be made. A special campaign should be launched, and arrangements should be made to take Jain Gazette from door to door. Divisional President of the

Mahasabha, Divisional President Rajendra Prasad Kothari said that the Mahasabha does a lot of work in every area, whether religious, social, or renovating old temples. He suggested that an annual souvenir should be published for the work done by the Mahasabha throughout the year, in which the account of all the jobs done and how much money was spent. Let him be included in that souvenir. This souvenir will be a special ally in the membership drive. He informed that the Physiotherapy Center is being run regularly by the Mahasabha

Udaipur in the Mahasabha Bhawan in Sector-14. Many people are getting benefited from it.

Suresh Singhvi, Roshan Chittora, Rajesh Deora, Khubilal Chittora, Om Prakash Godawat, Mukesh Mundalia, Prakash Ghatalia, Jayanti Dagaria, Shripalji Dharmavat, Hazari Pancholi, Mahavir Ramavat, Arjun Kodia, Hasmukh Dagaria, Khubchand Singhvi, etc. took part. Various programs are organized in the district on World TB Day

Udaipur: On World TB Day, multiple programs were organized for TB eradication and public awareness.

CMHO Dr. Dinesh Kharadi said that the message of awareness about TB disease was given to the people by taking out a cycle rally on the Fatehsagar pal in the city. Programs in this regard were organized at all the health centers in the district. To inform the general public about the diagnosis and treatment of TB disease, propaganda was done by miking vehicles. Children were made aware of TB disease by organizing various programs in health centers and schools.

A workshop was organized at Pacific Medical College and

Hospital under participation for TB treatment in private hospitals, where doctors and paramedical staff were sensitized.

IRAD app training given to police personnel

Udaipur: NIC Udaipur provides continuous training to the representatives of the departments of Police, Transport, Health, Highways regarding the Integrated Road Accident Data Base (IRADApp). For the remaining personnel of the Police Department, a particular re-training program was kept in the Police Line Auditorium on Thursday.

Mazhar Hussain, Technical Director, NIC, explained the process of the app. He reached the spot after getting information about the accident. He told me about uploading photos and other information from the accident site on this app and informed me about sending various information. In training, 47 police personnel Lucky Mittal gave detailed information about the app. More than 350 persons from various departments have been trained by NIC Udaipur. He said that details of 913 accidents have been uploaded on this app by various police stations to date in 2022, and information has been received from the database in the Udaipur district between 3 pm to 9 pm. Most of the accidents have happened in This is the primary purpose of preparing this database on how to minimize casualties in future. In collaboration with the National Informatics Department, the Ministry of Road Transport and Highways, Government of India has developed and implemented Integrated Road Accident Data Base (ITAD App) to create an integrated road safety database. A campaign is being run by the Government of India by preparing a data base of road accidents, in which, in case of any kind of road accident, the personnel of the designated

police station inspect the spot, photograph from the place of the accident and all the information related to the accident through IRADApp. Uploaded from.

Rashmi Sharma's poetry collection 'Tum Sagar, Main Nadiya' released

Udaipur: In Government Higher Secondary School, Nai, Hindi lecturer Smt. Rashmi Sharma's first poetic work, 'Tum Sagar, Main Nadiya', was released on a ceremonial Thursday. Dr. Kamlesh Sharma, Deputy Director, Public Relations Department, was the chief guest of the function organized in the school auditorium. At the same time, Bina Kunwar Rajput, the principal of GSS Nai, presided over the process.
