Draupadi Murmu will Enhance the Decorum of Presidentship

By declaring Draupadi Murmu as its candidate for the country's fifteenth presidential election, the Bharatiya Janata Party-led National Democratic Alliance has raised the value of the tribal community, especially by bringing tribal life into the mainstream. This decision shows the political acumen and maturity of the BJP. She is a tribal daughter who will be the first tribal to reach the highest constitutional post and the second woman President of the Republic of India, which will give new strength to the democracy of India, along with the world. India is also changing rapidly. A new political vision, a new political environment is taking shape in the all-pervading turmoil, in this era, with Draupadi Murmu becoming the President, not only the dignity of this highest constitutional post will get a new record, but the national existence and identity will also be strengthened. Because her image has been that of a knowledgeable and soft-spoken politician of settled democratic traditions.

It is expected that her presence as the constitutional head of the country will reassure every Indian, especially tribal women, for their peaceful and safe life. Only the tribal can feel the pain of the tribal - that is, the pain of the reality that has been experienced. In my view, it is not surprising if Draupadi

Murmu emerges as the biggest female heroine to raise the voice of the tribal and the oppressed in today's world. Former Prime Minister Atal Bihari Vajpayee had sent a Muslim APJ Abdul Kalam to Rashtrapati Bhavan and now Narendra Modi first made a Dalit Ramnath Kovind the President and now Draupadi Murmu, a Scheduled Tribe, is being elevated to the highest post of the executive, which is certainly a healthy, ideal and aware democracy & as a sign of auspiciousness.

The credit for the presentation of Draupadi Murmu as a brilliant and historic presidential candidate goes to Prime Minister Narendra Modi and BJP President J.P. Nadda's strategy. Murmu's nomination is only sharpening the edge of lower class politics on which BJP has been working hard for a long time. The neglect of the tribal community across the country has been in the news since independence; Modi has been active since the beginning for the interest and welfare of the tribal's, affecting about 11 percent of the total electorate and about 25 percent of the total voter turnout.

Particularly, the BJP, comprising Narendra Modi, Amit Shah and J.P. Nadda, is giving special attention to the tribal community so that it can bring itself out of the limited identity of the urban party. When the names of presidential candi-

dates were being discussed, I was hoping to get some names from the tribal community itself. Murmu was on top of them. Certainly, having a tribal woman in Rashtrapati Bhavan will enhance the image of BJP among the tribal community, whose direct impact can be seen in states like West Bengal, Odisha, Jharkhand, Gujarat.

Narendra Modi has not only stunned and surprised the nation but has been doing miracles with his decisions; the same has been done by announcing the name of Draupadi Murmu. Because many targets have been hit with this one arrow. The BJP has been struggling hard in these states due to the presence of very powerful regional parties like Mamata Banerjee's Trinamool Congress in West Bengal, BJD in Odisha and Jharkhand Mukti Morcha in Jharkhand. Whereas in all these three states the dominance of Congress is negligible. In such a situation, by sending Draupadi Murmu to Rashtrapati Bhavan, BJP will not only be able to ease its fight, but will also be successful in making its place in these states. The elections in Gujarat are in front, there is also a tribal community in abundance, the effect of this decision will be seen there as well. On the other hand, for the Rashtriya Swayam Sevak Sangh, its fight against the conversion of

a large number of tribal's on behalf of Christian missionaries may also become easier now.

BJP has been showing efficient and mature politics in these years. Their leadership, showing strategic acumen, made a tribal-Dalit-backward uprising over the years by making a person from a caste-backward background the Prime Minister, a person from a Dalit background as the President and now a tribal woman as the presidential candidate. The meaning has changed. It has been given the name of social harmony, after a tribal politician becomes the President, there will be justice for the tribal and backward class, it is believed. It is wrong to say that the President in India is only an office of symbolic importance.

Coming from a Dalit back-

ground, President K.R. Narayanan took a tough stand on the communal violence in Gujarat in 2002, forcing the

lifestyle of living.

Being a candidate from a simple family to the highest office of the country is a testi-

mon to the glory of Indian democracy. Nothing can be better than being Draupadi Murmu's candidate as President and marching towards being elected is an inspiration to crores of people with similar backgrounds. This will not only give more strength to Indian democracy, but will also increase its fame. There is no doubt that Draupadi Murmu has been an ordinary politician, but India has a history that ordinary people have done 'extraordinary' things.

Draupadi Murmu was born on 20 June 1958 in Baidposi village of Mayurbhanj district of Odisha. His father's name is Biranchi Narayan Tudu. They belong to the tribal ethnic group, the Santhals. She graduated from Rama Devi Women's College. After this Draupadi started the job from the state secretariat of Odisha. She is married to Shyam Charan Murmu. In 1997, she became a local councilor for the first time by winning the election of Nagar Panchayat for the first time. Three years later, she got a chance to become an MLA from the same constituency of Rairangpur, first in 2000, and then twice as a minister in the BJP-BJD government. In 2015, she was made the first woman governor of Jharkhand. Former President V.V. Giri was also born in Odisha, but he was originally from Andhra Pradesh.

Perhaps she had some hope and possibility that her name might be announced. Gaumata heard the call of her heart.

Today, the fire of communal hatred is being deliberately fuelled in the country. All kinds of crises are being created, it is a great irony of democracy that heads are counted here, not brains. Our democracy is suffering because of this, it has been suffering. More heads are coming, not the brain. There are more masks of caste, religion and class, less faces of humanity. By deceitful use of intelligence, they create a maze of equations, from which Abhimanyu did not learn to get out. In fact, the people who drive democracy need such training so that a new definition of democracy can be rewritten.

This vision made Draupadi Murmu's role not only important but decisive as well. Therefore, by placing this burden on Draupadi Murmu, the country wants to be sure that the rule of the constitution is from Arunachal Pradesh to the President. It will run uninterrupted till Bengal and the country's borders will be completely safe because the President is the supreme commander of the armies. This will be the first time in the history of India that the dignity of the office will be increased by placing a powerful tribal woman as the President.

Unveiling of the New Logo of Sir Padampat Singhania University (SPSU) Udaipur - A New Beginning

Udaipur: Sir Padampat Singhania University, Udaipur promoted by JK Cement Ltd. was established in 2007 as the first private University in Rajasthan. The new logo of the University was unveiled virtually on July 14, 2022. The event commemorated the legacy of Sir Padampat Singhania and Late Shri Yadupati Singhania who envisioned to be the frontiers in education. Shri Nidhipati Singhania, the Honourable Chancellor of the University launched the logo and explained its symbolic interpretation with the tree of abundance reaching out to progress, prosper and promote the ecological growth. He emphasized on the key parameters of the transformation journey of the University and brought to light the launch of specialized courses in the academic session of 2022-23 and industry-academia collaborations to strengthen the placements and focus on experiential learning. Professor (Dr.) Padmakali Banerjee, the Honourable Vice Chancellor (President)

of SPSU addressed the young minds as the harbingers of change. She encouraged them to join the era of new age learning and become a change agent, a knowledge seeker, a trailblazer and a path breaker. Highlighting the

and develop the right attitude to achieve success.

Dr. Raghapat Singhania, the Managing Director of the company shared his thoughts and ideas on the new corporate identity. He stressed on

robust leadership of JK Cement and highly motivated and learned faculty of the University she urged the students to join the industry integrated professional programs that would equip them with multi-skills, myriad talents

technological developments, the accelerated growth and the role of the University in shaping the lives of the individuals. Shri Madhavkrishna Singhania, DMD and CEO, JK Cement Ltd. highlighted the importance of

change for sustainable leadership and bright future. Mr. Ajay Saraogi, DMD and CFO JK Cement Ltd. shared the rich legacy of the legendary Sir Padampat Singhania Ji who was a visionary, an extraordinary industrialist, a generous philanthropist, a sports and education enthusiast. He was also nominated to the Constituent Assembly of India and also had the honour of being a signatory to the Indian Constitution. The Campus Director of the University Colonel Sanjay Sinha applauded the vision and mission of the JK family and thanked the entire team for the magnificent coordination and successful culmination of the event.

The event was celebrated by the students, faculty members, industry partners, policy makers, collaborators and higher education aspirants. The virtual event was a great success and illustrated the transformative journey and its conceptualization in a very candid and comprehensive manner.

CMHO examined the status of the Chiranjeevi scheme

To review the facilities being provided in private hospitals under the Chief Minister Chiranjeevi Health Insurance Scheme, the flagship scheme of the state government, which offers free treatment to the common people of Udaipur, CMHO Dr. Dinesh Kharadi took stock of the scheme implementation in authorized the Pacific Institute of Medical Science Umrada and Geetanjali Medical under the scheme. During the inspection, Chief Medical and Health Officer Dr. Dinesh Kharadi, while directing on the shortcomings related to the scheme in Geetanjali and Pacific Hospital, said that along with the main gate of the hospital, information about Chiranjeevi Yojana and RGHS scheme and services should be provided in the hospital. The demonstration should also be done at the hospital's reception and emergency gates so that the patients admitted in an emergency can get information about the scheme. Patients can take advantage of the scheme by providing necessary documents within the stipulated period. During the inspection at Geetanjali Hospital, signage boards of Ayushman Bharat Health Insurance Scheme were found at the reception counter of the hospital, which the CMHO directed to get replaced immediately and the Chief Minister Chiranjeevi Health Insurance Scheme. Dr. Kharadi said that the department is preparing a booklet of packages available under the scheme, which should be kept at the reception, emergency, and registration counters in the hospital so that any patient who comes to the hospital can be informed about the package. Chiranjeevi's complaint box should be present in every hospital. CMHO Dr. Kharadi was directed to put up a separate complaint box for any complaint related to Chiranjeevi Yojana in the hospital. If any person makes a complaint related to the scheme, it should be dis-

posed of on priority by the hospital administration. Along with this, the number of the planning coordinator of the CMHO office should also be marked there so that the complainant can complain to the office if the hospital does not listen. Know the reality by communicating with the beneficiaries of the scheme. During the Pacific and Geetanjali Hospital inspection, Dr. Kharadi interacted with the patients admitted to the orthopedic ward in the hospital and inquired about the treatment and facilities. He asked that money not be taken even after admission to the scheme. Given information about free treatment under the Chiranjeevi scheme, all the patients thanked the state government for this scheme. During this, Dr. Kharadi informed the relatives of the patients about the system and inspired other people to join the scheme. During the inspection, the patients admitted under the Janani Suraksha Yojana in the Pacific Hospital also interacted. The patients were informed about the utterly free treatment being provided by the hospital. During the inspection, Geetanjali Hospital made money from some patients for consultation and examination in the OPD before admission. In contrast, there is a provision to return the said amount to the patient after being admitted per the scheme's rules. On this, Dr. Kharadi directed the hospital administration to repay the amount immediately and restrained so that such complaints are not received again in the future. Dr. Kharadi told that a complaint was also received from Pacific Medical College, Bhilo Ka Bedia, in this regard, in which DPC Sharad Patidar has directed to return the amount of Rs 6300 taken from the patient by talking to the hospital administration over the phone and the hospital administration has been given back in this regard. A notice has also been issued, and a reply has been summoned.

Hindustan Zinc's Kayad Mines Awarded Rajasthan's Only 5-Star Rating Winner

The 6th National Conference on Mines and Minerals was organized by the Ministry of Mines on July 12 in New Delhi to celebrate Amrit Mahotsav of Azadi. On this occasion, Kayak Mines of Hindustan Zinc was awarded the only mine of Rajasthan for 2020-21 under evaluation for the 5-star rating system. The Indian Bureau of Mines gives this five-star rating award under the aegis of the Ministry of Mines for carrying out scientific and systematic mining by adopting best practices to protect the mines' environment. The award was presented to Mines for its exemplary performance in implementing sustainable development. Hindustan Zinc Kayad Mine's SBU Director K.C. Meena and Vijendra Kashyap, Prominent Geology Kayad Mines, received the award in the presence of Union Home Minister Amit Shah, the Union Minister of Mines, Coal and Parliamentary Affairs, Prahlad Joshi, the Minister of State for Mines, Coal and Railways, Raosaheb Patil and other dignitaries of the Ministry.

A patient suffering from multiple severe eye disease patients treated free under CMCY

Udaipur: A 62-year-old patient living in Chittorgarh, Dalu Jatia, started losing his vision ten months ago due to the bite of a poisonous mosquito in his eyes. In this case, the patient visited several private hospitals and took medicine, but there was no improvement. The lens of the patient's eye (cornea) was damaged, and the cataract was also ripe; the patient could not perform routine tasks.

The patient is a farmer by profession and is a beneficiary of Chief Minister Chiranjeevi Yojana. He was brought to Geetanjali Medical College and Hospital at the suggestion of the patient's relatives.

Ophthalmologist Dr. Rishi Mehta said that the patient's complex operation took two hours, during which three serious problems were diagnosed:

1. Cataract was diagnosed
2. Lens transplant done
3. Eye transplant done

Dr. Rishi said that cornea was procured for the patient from Eye Bank of Jaipur. The first complex operation of this kind was done at Geetanjali Hospital.

"rogee ke aankhon ke roshanee vaapis aa chuke hai, vah saamaany roop se dekh pa Raha hai, atyant khush hai!" The patient has been treated free of charge under the Chief Minister Chiranjeevi Yojana. The patient felt that if it was not for Chief Minister Chiranjeevi's scheme run by the Rajasthan government, he would never have been able to see again.

Geetanjali Hospital CEO Prateem Tamboli said that we all must understand organ donation's importance. Eye donation is a donation that every person should make so that someone can see this world with their eyes after death. With this kind of donation, many needy people can get their eyes back. The Ophthalmology Department of Geetanjali Hospital has all the advanced techniques and resources available so that complex to complex problems are continuously being solved.

For the past 15 years, Geetanjali Hospital has been continuously providing all kinds of excellent and world-class medical facilities and health services to the needy.
