Three people are needed for truth, Radha-Krishna is needed for love - Morari Bapu

Morari Bapu told the first day of Ramkatha that there are three combinations here. Look at the materiality, the whole city is decorated like a bride. Divinity and spirituality also pervades here. All these together have existed here, for which we all have grateful to Madan Bhaiya. Bapu said that three people are needed for truth. While coming on the way, Rupesh sitting next to me told me that there should be two people for truth. Bapu said, the speaker speaks the truth and the hearer accepts the truth, it transmits the truth. Then I said that a witness is also needed, whereas for love only two are needed, Radha and Krishna were enough and for compassion, one Mahadev is needed at whose feet, this is the dialogue of this story.

Must recite Hanuman Chalisa

Bapu said that one must recite Hanuman Chalisa. This will give strength. Neither the individual, nor the society or the nation, should remain weak. We get wisdom from this, we will not misuse it. Bapu said that everyone needs education.

One who does not have conscience, then many obstacles come from knowledge. Therefore, definitely recite Hanuman Chalisa. I used to

say a lot earlier that do it many times, but now I say do it. Definitely and even if you take into consideration those who could not do it, it will work.

Referring to Rishi Sunak who became the new Prime Minister of Britain, Bapu told Rishi Sunak about his daily routine along with being a Hindu. Bapu said that he recites

I have given Gutkha of Ramcharitmanas -

During Ram Katha, Morari Bapu, in response to Gehlot's talk, said that I have got him the gutkha of Ramcharit Manas. I didn't catch anything and asked neither to be caught nor to leave. 36 years ago a young man came crying, today a Vishwas Swaroopam has been established in Madan Bhai. I have got this gutkha caught, the whole family has got hold of it. This is Ramcharitmanas only.

Bapu said, it has become a green form, where Vishwanath himself has come to meet Shreeji Bawa. On being asked about the future goal, he said that I have no goal other than to awaken the light of Ramkatha in the nation.
