JK Lakshmi Cement committed to protecting the Environment - Arun Shukla

Udaipur: During a ceremony held at the company's cement plant in Rajasthan, the company flagged off 10 L.N.G. trucks to the company's grinding unit at Surat. With this, JK Lakshmi Cement has become the first Indian cement company to adopt green L.N.G. trucks to transport its products. The company will further increase the number of these L.N.G. trucks in the coming year. Senior officials of the company and essential stakeholders were present during the function.

JK Lakshmi Cement has always contributed towards reducing carbon emissions by adopting energy-efficient methods. In furtherance of this objective, JK Lakshmi Cement has partnered with Green Line Logistics to provide L.N.G. trucks for transportation. Pune-based Blue Energy Motors manufactures these L.N.G. trucks. Talking about the initiative, Mr. Arun Shukla, President & Director of JK Lakshmi Cement Ltd., said, "Our country has set

a target of reducing carbon emissions from our economy by more than 45% by the end of the decade and ensuring net zero emissions by 2070. We have taken several steps to reduce direct and indirect carbon emissions. Adopting L.N.G. trucks to ensure sustainable transportation is an essential step in this direction, reducing CO2 emissions by 35,000 kg annually per truck. JK Lakshmi Cement fully supports this approach, as we believe in sustainable and responsible devel-

opment that benefits society and the environment. This step will prove to be a game-changer for the country's cement transportation industry and will promote the creation of a circular economy. In recent years, JK Lakshmi Cement has undertaken several projects to reduce its carbon footprint. The brand also launched a unique campaign, 'Green Initiatives, Better Tomorrow' to improve energy efficiency and raise awareness about environmental protection.

Being a socially responsible company, JK Lakshmi Cement adheres to E.S.G. norms in its operations. It is continuously moving towards innovations with best-of-the-line products. The company is committed to providing the best services to its consumers and other stakeholders in all its activities. Company officers Dr. S. K Saxena, Aseem Deep Saxena, Kapil Kapoor, Anand Mevani, Prakhari Saxena, Kanubhai Agarwal, and Nitin Bansal were present.

Udaipur Collector Tara Chand Meena dominated the 18th National Scout Guide Jamboree

Udaipur:(Dr. Munesh Arora) District Collector Tarachand Meena is being praised for the excellent arrangements made by the district in the 18th National Scout Guide Jamboree to be held at Rohat Pali from January 4 to 10 under the auspices of India Scout Guide National Headquarters New Delhi. Collector Meena is giving financial assistance of Rs 50 lakh and helping with physical arrangements for this Jamboree. Collector Meena reached Rohat on Saturday and took stock of the arrangements being made by the district. Meanwhile, State Chief Commissioner Niranjan Arya inquired about the arrangements during the state-level Jamboree preparation camp and meeting at the Jamboree site. District Collector Tarachand Meena said that 450 scout guides from the district are participating in this National Jamboree through the District Administration Udaipur. And for their in-charges, in the 2nd phase, from Udaipur to Rohat and back, they told about the transport arrangements by free buses and trucks. Additionally, Scout Guides from economically weaker sections who are talented but could not go to the Jamboree due to financial constraints are giving them a chance to participate in the Jamboree by announcing financial support. Arya appreciates Meena for this coop-

eration. During this, the collector made a help desk for the convenience of the visitors, set up a control room, kept a team of Forest and Animal Husbandry department ready, appointed all division-level officers for the work arrangements of Jamboree for the next two days, drone security.

Udaipur Collector will arrange free milk for all children in Jamboree: In the meeting, State Chief Commissioner Arya discussed with the dairy management to provide milk free of cost to all the children at the Jamboree site. Meanwhile, Udaipur District Collector Tarachand

Meena talked about delivering a budget to dairy from C.S.R. for free milk, then Collector Meena gladly accepted it. He said that along with the construction of a state-level guide gate in Jamboree and 35000 Scout Guides of India participating in Jamboree and Scout Guides from other countries and the entire Jamboree family, milk would be arranged daily during the festival for the whole period. Niranjan Arya praised Collector Meena for his invaluable cooperation in organizing business. He inspired other state administrative officers to learn from it and cooperate in Jamboree in every way. **Rajasthan getting hosting after 66 years:** Pramod Kumar Sharma said that according to point number 44 of the budget announcement of the Chief Minister, after 66 years, Rajasthan is getting the privilege of organizing and hosting the 18th National Scout Guide. On reaching Rohat, Collector Meena checked the arrangements and met the participants. During this Scout CO Surendra Pandey and Guide CO Vijay Laxmi Verma felicitated District Collector Tarachand Meena on behalf of the Scout Guide family by wearing Iklaai, scarf, and Mewari Pag as per Mewari tradition at Jamboree ground.

Successful treatment of calcium deposits in patient's heart by modern I.V.L. technique at GMCH

Udaipur: At Geetanjali Medical College and Hospital, a 60-year-old patient resident of Udaipur suffering from severe heart disease was given a healthy life by successful treatment using state-of-the-art medical technology at the Cardiac Center of Geetanjali Medical College and Hospital. In Gitanjali Hospital, by adopting all the advanced techniques in the medical field, patients are being continuously treated by Dr. Ramesh Patel, Dr. Dilip Jain, and Dr. Jai Bharat in a team of skilled cardiologists. Dr. Jai Bharat Sharma said that a 60-year-old patient had a heart attack despite having a bypass two months ago, in which the patient was referred to the Medical College Hospital by a private hospital. The doctors' team discovered by angiography that the calcium layer had accumulated in the patient's heart, which was successfully treated by modern I.V.I.V.L. (Intravascular Lithotripsy) technique, and angioplasty was done on the

patient. The next day, the patient was discharged. **What is the shockwave coronary lithotripsy technique?** Shockwave Coronary Lithotripsy is a unique procedure that makes it possible to treat patients with advanced stages of Coronary Artery Disease who have hard blockages due to calcium deposits in their arteries. Shockwave coronary lithotripsy is a cutting-edge technique in which a special balloon is carried through the heart's veins to break down the calcium deposits. Dr. Jai Bharat said that calcium deposits and calcified blockages in the heart's arter-

ies have always been a concern for cardiologists. Considering the patient's critical condition, a plan was made by the expert cardiologist team to treat him with a shockwave lithotripsy technique. Geetanjali Medical College and Hospital has been continuously performing complex operations and procedures under one roof for the last 16 years with skilled doctors. As per the decision of the professional team of the Geetanjali Heart Disease Department, the best treatment of the patients is being done continuously by the heart team approach, which is a sign of excellence.

Designing looks for Miss Universe Chilli Sofia Depassier

Udaipur: Fashion designer and an inspiration for young fashion designers Anjali Phogat, was the recipient of the Emerging Women Entrepreneurs in Fashion Award at the Times 40 Under 40 Achievers Award 2022 ceremony. Anjali Phogat is the founder and creative director of the fashion brand 'Designer Dream Collection'. In today's world, having young, innovative minds is more important than ever. Anjali Phogat is one of the 2022 recipients of the Times 40 Under 40 Achievers Award. Anjali Phogat is a fashion designer who has done a lot from winning first place in an Indian beauty pageant to establishing a high-end clothing line in the US and around the world. It is important to acknowledge how the world of fashion is very unwelcoming to various body sizes. But, at Designer Dream Collection, her business makes great efforts to bring fashionable and one-of-a-kind outfits for all body types. For them, all bodies are worthy, and all bodies should be celebrated. Anjali dressed reigning Miss Universe Harnaaz Kaur Sandhu and many other Bollywood celebrities in her couture and excited to dress Miss Universe Sofia Depassier in her couture during & 71st Miss Universe beauty Pageant. Sofia is 24 years of age, 5'8.5" tall and represented the Comunidad Extranjera in the national competition. Sofia Depassier will represent Chile at the 71st edition of Miss Universe. Not a stranger in the world of beauty pageants (she participated at Miss Teen South Florida 2004 where she was awarded Miss Photogenic), she will try her best and follow in the footsteps of Cecilia Bolocco who was crowned Miss Universe in 1987. Born in the capital city of Santiago, Sofia migrated to the United States at a young age. She's a professional model, a beautician and an actress. Having been honed in the pageants early and with her striking looks, pageant watchers are already tagging Sofia as a frontrunner.

Chile is currently ranked 40th at the Big5 Ranking which is two places higher than in 2020. At Miss Universe pageant, its last placement was in 2004 when Gabriela Barros Tapia made it to the Top 10. From 2007-2010, Chile did not participate at the Miss Universe pageant.

Dr. Ajeet Kumar Karnataka V.C. appointed member of M.P.U.A.T. National Nutri Grains Committee

Udaipur: Indian Agricultural Universities to promote Nutri-cereals during the 31st Technical Session of the Conference of Vice Chancellors of Agricultural Universities held at Pandit Deen Dayal Upadhyaya Veterinary University, Mathura, on December 27, 2022. A committee of Vice-Chancellors has been constituted to prepare a document on the activities to be carried out by the University Association throughout the year. Dr. Ajeet Kumar Karnataka, Vice-Chancellor of Maharana Pratap University of Agriculture and Technology, Udaipur, has been appointed committee member. According to the order signed by Dr. Dinesh Kumar, Executive Secretary, I.A.U.A., Dr. Parvinder Kaushal, Veer Chandra Singh Garhwali Uttarakhand Forestry and Horticulture University, Bharsar will head this committee. It is notable that on the proposal of the Government of India, the United Nations has announced celebrating the year 2023 as Millets International Year. In this campaign, various programs and schemes will be launched to promote Nutri grains, which include 16 types of coarse grains like jawar, millet, ragi, etc., and for their processing and value addition. The said high-level committee will prepare action plans on coarse grains in various agricultural universities at the national level and take decisions on their proposals. Other committee members are Dr. O.N. Singh, VC, B.A.U., Ranchi, Dr. V. Geethalakshmi, VC, T.N.A.U., Coimbatore Dr. P.L. Patil, VC, U.A.S., Dharwad and Dr. R.C. Jagdish, VC, UHS, Shivamogga has been appointed. The Directorate of Research organized an awareness and brainstorming workshop to promote millets in M.P.U.A.T. on December 23. The committee has been requested to submit the final document by January 15, 2023.

Successful treatment by thoracoscopy technique without operation

Udaipur: Doctors at the Pacific Institute of Medical Sciences (P.I.M.S.) Hospital Umrda successfully treated a patient with a fluid-filled lump in the chest through thoracoscopy without surgery. P.I.M.S. Chairman Ashish Agarwal said that a 57-year-old patient was admitted to P.I.M.S. Hospital, Umrda, complaining of shortness of breath, chest pain, fever, and cough for 6 months. On examination, it was found that the patient had hemorrhagic fluid and lumps in his chest. On the first day, about one liter of fluid was drained through pleural tapping, but the patient did not get symptomatic relief. The doctors of T.B. Chest and Respiratory Medicine made a plan for a thoracoscopy of the patient, in which the patient was examined through binoculars by piercing the chest and successfully treated the patient by removing about 3 liters of hemorrhagic fluid and lumps. The doctors included Dr. Abdul Wahab, Dr. Sandhya Tank, Dr. Rishabh Agarwal, Dr. Pranshu Kumar, Dr. Arpit, Dr. Gurmehar, and thoracoscopy technicians Giriraj and Dinesh. Mr. Agarwal said that due to the expertise of the doctors, the patient did not face any complications before and after the procedure. The patient is symptomatically relieved without any current complaints and will be discharged soon.

Loan approval of Rs 29 lakh

Udaipur: Chairman of Rajasthan Scheduled Caste Tribes Finance and Development Commission, Dr. Shankar Yadav, was visiting Udaipur on Wednesday. Dr. Yadav benefited the eligible people in the public awareness camp organized under the aegis of Anuja Nigam, National Safai Karamcharis Finance and Development Corporation, N.S.T.F.D.C., N.S.C.F.D.C., N.B.C.F.D.C. and N.H.F.D.C. at Pandit Deendayal Auditorium of Municipal Corporation. In this program, the General Manager of Anuja Nigam Sheeshram Chawla and D.G.M. of National Employees Safai Vikas Nigam Ruchi Sharma, and the Deputy Director of the Social Justice Empowerment Department, Mandhata Singh, were also present as guests. During the program, Dr. Yadav and other guests benefited the eligible people by issuing a loan sanction of Rs. 29

being organized to make various facilities and services available from the government open to the particular class. He motivated the people of the concerned sections to get information about these schemes of the government and take advantage of them. The General Manager of Anuja Nigam, Shishram Chawla, informed about the corporation's activities and was apprised of the government's provisions of a loan facility. He said that the concerned eligible person could go to the corporation's office and get information about the facilities provided by the government. He also apprised the House about various schemes along with applying for loans. Ruchi Sharma, D.G.M., National Employees Cleaning Development Corporation, said that cleaning workers have their unique role in every field. She motivated the sanitation workers to perform their tasks keeping in mind health and safety etc., and take advantage of the schemes and programs run for them. Deputy Director of the Social Justice Empowerment Department Mandhata Singh also gave detailed information about departmental schemes. Through temporary E-Mitra, applications were made by the eligible persons at the campsite, and many qualified people benefited at the program site. Harshit Pancholi coordinated the program.

Addressing the people of different sections who came to the camp, Dr. Shankar Yadav said that the benefits of various public welfare schemes of the government should reach every needy. For this, the projects should be widely publicized. Every person section should be informed about them until the last stage. He discussed with Scheduled Castes, Scheduled Tribes, Other Backward Classes, Divyangjan, and Safai Karamcharis in the public awareness camp. After listening to their problems, he directed the concerned officials to solve the issues immediately. Dr. Yadav said that according to the intention of the Chief Minister, the commission is continuously striving for your upliftment and welfare, and such awareness programs are

N.C.C. cadets visited Udaipur

Udaipur: A ten-day National Camp of the National Cadet Corps organized at Indo American School, Udaipur, cadets from seven states of North Eastern Directorate visited Karmi Mata Temple, Lake Pichola, and Doodh Talai as part of an educational tour. Camp Commander Col. Rajesh Kumar said cadets from Assam, Tripura, Meghalaya, and Nagaland were overwhelmed to see the natural beauty of Udaipur. Cadet Captain Officer Ankita and Adm Officer Major Chhaya Korwal of N.E.R. Directorate also presented their views. Major Rekha Palwal also cooperated. In the evening, cultural programs were offered by the participants.
