Visionary : The Journey of Prof. Amarika Singh

Udaipur: In a remarkable tale of transformation and dedication, Prof. Amarika Singh, the former Vice-Chancellor of Mohanlal Sukhadia University, has left an indelible mark on the educational landscape. His journey from academia to becoming a visionary leader is truly inspiring.

Born and raised in the culturally rich city of Udaipur, Prof. Singh was always captivated by the world of learning. After completing his early

education in local schools, he pursued higher studies with a fervent desire to contribute to education in his community. His passion led him to excel in his studies, and he soon found himself as a respected professor in the same institution where he once sat as a student.

Years of dedicated teaching and research shaped Prof. Singh's perspective on education. He understood that the real impact of education goes

beyond textbooks and classrooms – it lies in empowering students and transforming communities. With this realization, he embraced administrative roles, aiming to create a learning environment that transcended boundaries.

His appointment as the Vice-Chancellor of Mohanlal Sukhadia University marked a turning point in his journey. Prof. Singh took on the responsibility with a vision to enhance not only the university's academ-

ic standards but also its societal impact. Under his leadership, the university underwent a remarkable transformation, becoming a hub of innovation and progress.

One of his most notable achievements was his dedication to faculty development. Prof. Singh understood that the heart of any educational institution is its teaching staff. He took proactive measures to regularize assistant professors' services and promote

excellence among the faculty. His efforts paved the way for the establishment of new faculties and departments, expanding the university's reach and offering diverse courses to students.

Prof. Singh's visionary outlook extended to community engagement. He championed initiatives that bridged the gap between academia and society. Medical camps in tribal areas, relief work during the pandemic, and collaborations

with various organizations demonstrated his commitment to holistic development.

But Prof. Singh's journey was not just about accomplishments; it was about people. His ability to listen, collaborate, and understand the needs of his colleagues, students, and the community made him a beloved figure. He transformed the university's culture, fostering an environment of inclusion and growth.

Strengthening Road Infrastructure Will Pave the Way for Mission-2030: Chief Minister

Shri Ganganagar: Chief Minister Mr. Ashok Gehlot stated that the state government has resolved to make the state a leading one in the country by the year 2030. The path to achieving Mission-2030 will be paved through a robust road infrastructure. He mentioned that significant road development work has been carried out in the state over the past four and a half years, and the appreciation for our roads is being recognized nationwide. The far-flung villages in the state are now connected through safe, smooth, and beautiful road networks, leading to increased employment and income.

On Thursday, Mr. Gehlot inaugurated and laid the foundation stones for 153 road development projects costing Rs. 4,817 crores at the Chief Minister's residence. He addressed officials and representatives through video conferencing as part of the program. He highlighted that the state government is working towards creating a network of high-quality roads to ensure safe and comfortable travel, which is contributing to a positive environment for investors and opening new dimensions of development.

He emphasized that the state has sent several letters to the central government, demanding the upgradation of 50 state highways to national highways to boost industrial development and increase employment opportunities. Toll collection through the FastTag system has been implemented on state

highways, making travel smoother and time-saving for the public. Furthermore, efforts are being made to connect all major religious sites through quality road networks to promote religious tourism.

Mr. Gehlot stated that the goal is to develop over 1,00,000 kilometers of road infrastructure, and significant progress has been made, with more than 66,000 kilometers already completed. The state is investing in road construction and improvement, focusing on quality. He shared that the state's GDP was around Rs. 9,111 crores in 2018-19, which has increased to about Rs. 14,140 crores. The government aims to further increase it to Rs. 35,710 crores by 2030.

Regarding the Eastern Rajasthan Canal Project (EARSIP) for 13 districts, Mr. Gehlot mentioned that

pending dams will also be included in the Detailed Project Report (DPR) of EARSIP.

This inclusion will connect 53 dams from Dausa, Sawai Madhopur, Karauli, Bharatpur, and Alwar to EARSIP, with an additional Rs. 1,665 crores investment. This move is expected to benefit around 11 lakh farmers.

The Chief Minister noted that the public's active involvement is crucial in achieving the vision of making Rajasthan a leading state by 2030. He mentioned that economists, authors, journalists, students, government officials, lawyers, farmers, laborers, women, youth, intellectuals, and athletes, along with one crore citizens, will be engaged to gather suggestions for Mission 2030. Based on these suggestions, the government will release a vision document for Mission 2030.

In the event, Public Works Minister Mr. Bhajan Lal Jataw highlighted that the inauguration and foundation laying of road projects costing Rs. 4,817 crores will accelerate development in the state.

He added that in the budget for 2023-24, road construction and improvement work for 23,000 kilometers is planned at a cost of Rs. 16,123 crores. Over 66,000 kilometers of road development has been completed during the current government's tenure, significantly boosting development despite the state's challenging geographic conditions.

9th CPA India Regional Conference: Strengthening Democracy Together"

"Udaipur, C.P. Joshi, Speaker of the Legislative Assembly, addressed the press conference at Taj Aravali Hotel on Sunday about the 9th CPA India Regional Conference. He shed light on the initiatives undertaken by the Commonwealth Parliamentary Association (CPA) and its relevance in the current scenario. He emphasized the continuous efforts of CPA to fortify democracy globally. He further elaborated that the organization was founded in 1911 and has evolved into its current form since 1948. Presently, it comprises over 180 member parliaments distributed among 9 geographical regions. Dr. Joshi proudly acknowledged that the Speaker of Lok Sabha also hails from the state of Rajasthan.

Hosting the 9th CPA India Regional Conference is an honor for Rajasthan. Udaipur has consistently been a venue for various national and international events. Udaipur's history is marked by sacrifice and valor, and its tales resonate worldwide. The city's art and culture have been a captivating attraction, making it an ideal host for this conference. Dr. Joshi detailed that the

conference will take place from August 21st to 22nd, with two sessions. The first session will focus on topics such as digital empowerment, enhancing the skills of parliamentarians in good governance, and addressing the challenges of the current era. The second session will discuss the role of parliamentarians in strengthening the nation through democratic institutions. Notable figures like Vice President Shri M. Venkaiah Naidu, Lok Sabha Speaker Shri Om Birla, Rajasthan Governor Shri Kalraj Mishra, Chief Minister Shri Ashok Gehlot, Deputy Chairman of Rajya Sabha Shri Harivansh Narayan Singh, among others, will participate in the event.

Dr. Joshi highlighted the remarkable efforts of the Rajasthan branch of CPA over

the past five years, organizing 11 seminars with participation from eminent personalities including the President, Vice President, and Governors. He emphasized that our democracy, over 75 years old, is evolving, and the role of legislators in crafting quality legislation is pivotal. He stressed the need for constant discussion and deliberation in the legislative bodies to ensure the country's progress.

During the press conference, the Secretary-General of the Legislative Assembly, Mahavir Prasad Sharma, and Deputy Director (Public Relations) of the Legislative Assembly, Dr. Lokesh Chandra Sharma, were also present. The event concluded with Dr. Lokesh Chandra Sharma expressing gratitude to all participants and attendees.

Baba Bagheshwar Inspires with Motivational Talk

Renowned storyteller Baba Bagheshwar Dham addressed a gathering at the office of Dr. Vivek Bindra, a prominent motivational speaker and the founder of "Bada Business Private Limited." During the event, Baba Bagheshwar Dham shared his guidance with the staff of Bada Business and members of Dr. Vivek Bindra's family.

Dr. Vivek Bindra personally brought Baba Bagheshwar Dham to the office of Bada Business. The occasion was marked by the presence of Dr. Vivek Bindra's family and the staff of Bada Business. Dr. Bindra even showcased his 11 Guinness World Records to Baba Bagheshwar Dham during their interaction. Baba Bagheshwar Dham emphasized the importance of living in the present moment and shared his insights on achieving success in life. He highlighted three special qualities of Lord Hanuman, relating them to leading a simple and successful life. Baba Bagheshwar Dham encouraged people to embrace humility, effective communication skills, and dedicated efforts, inspired by Lord Hanuman's traits.

Additionally, Baba Bagheshwar Dham narrated anecdotes and stories to engage and inspire the attendees. He informed them about his upcoming visit to Nepal for a Hanuman Katha event. Although he couldn't distribute tokens of blessings due to time constraints, he promised to hold darbars (spiritual gatherings) in the future.

Baba Bagheshwar Dham also discussed the upcoming event, "Entrepreneurs Launch Pad," scheduled for September 23-24, 2023, at Delhi's Indira Gandhi Stadium. This event, presented by Bada Business, is anticipated to be the largest entrepreneur event in the country. Baba Bagheshwar Dham will address the gathering as a speaker, sharing his wisdom and insights to guide aspiring entrepreneurs. The event concluded with Dr. Vivek Bindra boosting the attendees' morale and inviting them to attend the "Entrepreneurs Launch Pad." This program is set to witness the participation of renowned business personalities, including Ritesh Agarwal (Founder and CEO of OYO Rooms), Khansarai Avadh Ozasvi, and social media influencer Ranbir Allahabadi.

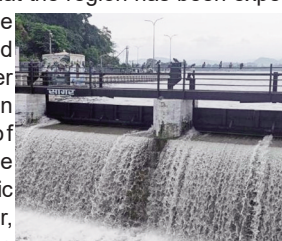

Baba Bagheshwar Dham's presence and words left a lasting impact, inspiring the audience to embrace life's moments and learn from the teachings of Lord Hanuman.

"Overflowing Joy Again: Four Gates of Fatehsagar Opened

Udaipur: The pride of Udaipur city, Fatehsagar Lake, has once again overflowed with water. Due to the renewed activity of the monsoon, the inflow of water into the lake increased, prompting the opening of 2-inch wide gates at four lake points on Monday afternoon.

Anil Kumar, the chief engineer of the Water Resources Department, mentioned that the region has been experiencing a spell of rain for the past two days. This has led to an increase in the water levels of the lakes. On Monday, the gates of Fatehsagar Lake were opened to discharge 80 cubic meters per second of water, with each gate opened to a width of 2 inches. Similarly, at Swaroopsagar Lake, a 2-inch gate operates, facilitating an outflow of 50 cubic meters per second. At Fatehsagar Lake, all four gates were opened to a width of 2 inches on Monday afternoon, resulting in a discharge of 95 cubic meters per second.

Upon hearing the news of the gates of Fatehsagar Lake being opened, a large number of city residents gathered at the scene to witness the spectacle of the overflowing water. They were captivated by the sight of the rushing torrents of water, and a sense of romanticism was in the air."

Grains, Wheel, Women: Record Triumph"

Udaipur: Among the 1600 Inner Wheel Clubs across the country, the Inner Wheel Club Udaipur made history today by creating a world record at the Rockwood School campus in Chitrakootnagar with 3,000 kilos of grains. The club crafted a 20 times 22 feet flex featuring the Inner Wheel Club logo and a Rakhi (a traditional decorative thread) using a wheel and grains, setting a new world record. The world record team from Ahmedabad handed out certificates personally to 40 members who contributed to the record.

Speaking at the event, Club President Dr. Sweetie Chhabda stated that this year the club will undertake various initiatives for the needy, particularly women. This record achievement is a part of these efforts. The club will also provide self-grooming training to women, enabling them to attain employment.

Event Chairman Sheela Talesara provided a detailed insight into the organization of the event. She mentioned that the initiative began with four members, and as the news spread, more members joined, ensuring the participation of 40 members in this event.

The creation included a 20 times 22 feet flex featuring the Inner Wheel logo and both sides were adorned with a 7-7 feet Rakhi made from 7 types of grains: wheat, rice, black chickpea, corn, pearl millet, mung lentils, and mung. The 3000 kilos of grains will later be distributed to 1000 needy families.

The chief guest from Jaipur, Inner Wheel

Wheel districts and 1600 clubs in the country. It showcases the power of women.

District Collector Shailendra Surana, the chief speaker, noted that women setting such a world record is a joyous experience in itself. Pawan Solanki, the leader of the world record team from Ahmedabad, expressed enthusiasm for the event when the Inner Wheel Club approached them for collaboration. The Inner Wheel Club is delighted to receive the world record certificate.

Dr. Nirmal Kunnawar, the Prantpal of Rotary District 3056, mentioned that this event exemplifies women's empowerment. When women commit to any task, such world records are created. Inner Wheel Club member Pushpa Seth provided information about Millets during the event.

The program was graced by Dr. Sweetie Chhabda, Dr. Anju Giri, Dr. Seema Champawat, Meera Majumdar, Sheela Talesara, Nina Maru, Asha Khaturia, Rashmi Pagariya, Darshana Singhvi, Devika Singhvi, Rita Bapna, Rita Mahajan, Asha Talesara, Kusum Rathore, Kiran Kochhar, Surjit Chhabda, Laval Chhabda, Madhu Sood, Payal Kothari, Kamla Jain, Rajni Nahar, Vijaya Sarupria, Manju Chaudhari, Dr. Urmila Jain, Priyanka Kothari, Reena Sojatia, Sangita Dembla, Swati Shreemali, Monica Mevada, Daljeet Kaur, Navneet Kaur (Manyia), Seema Makheja, Anu Khamesra, Veena Singhvi, Pushpa Kothari, Asha Kunawat, who contributed financially to the event.

PM Modi to Visit Rajasthan Again Next Month

Prime Minister Narendra Modi is set to visit Rajasthan again next month. This will mark his ninth trip to the state in the past ten months.

On September 25th, Prime Minister Modi will address a massive public gathering in the town of Dhaan Ka Chora in Jaipur district, marking the culmination of the four "Parivartan Yatras" (Change Journeys) that commenced on September 2nd from various parts of the state.

This information was revealed during a meeting of the BJP's core committee chaired by the state president, C.P. Joshi, in Jaipur. The committee decided that the BJP will organize four Parivartan Yatras across different regions of the state starting from September 2nd.

The Parivartan Yatras, spanning 23 days, will cover all 200 assembly constituencies of the state. These journeys have been organized to boost election campaigning and will start from four religious places in the state. The decision to conduct these yatras was made during a two-day brainstorming session of the BJP held in Sawai Madhopur on July 10th, under the leadership of the party's organizational secretary, B. Santosh.

During the core committee meeting, it was announced that the four yatras will commence from Goga Medi Mandir (Hanumangarh) in the northern region, Beneshwar Dham (Dungarpur) in the southern region, Trinetra Ganesh Mandir (Sawai Madhopur) in the eastern region, and Ramdevra Mandir (Jaisalmer) in the western region of the state. The leadership of these yatras is yet to be finalized.

It is speculated that responsibility for these yatras might be assigned to C.P. Joshi for Mewar, Vasundhara Raje for Hadoti and Jaipur-Ajmer regions, Gajendra Singh Shekhawat for Marwar, and Dr. Satish Poonia for the Opposition. All the 71 current BJP MLAs and candidates will be part of these yatras.

The core committee meeting in Jaipur was attended by several key party leaders, including Arun Singh, the national general secretary, Om Prakash Mathur, the in-charge of Chhattisgarh elections, Vijaya Rohatkar, the co-in-charge of the state, Kailash Choudhary, the central minister of agriculture, and Chandrashekhar Mishra, the party's organization secretary. The absence of former Chief Minister Vasundhara Raje, Water Resources Minister Gajendra Singh Shekhawat, and Law Minister Arjun Ram Meghwal in the meeting was noted, reportedly due to various reasons. The meeting was attended by Arun Singh, the party's state in-charge, Om Prakash Mathur, the Chhattisgarh election in-charge; Vijaya Rohatkar, the co-in-charge of the state, CP Joshi, organizational secretary Chandrashekhar Mishra, opposition leader Rajendra Rathore, deputy leader Dr. Satish Poonia, national general secretary Dr. Alka Singh Gurjar, and MPs Kanakmal Katara of Banswara-Dungarpur.
